

It's with heavy hearts that we've bid farewell to our manager, Lorri. Although we will very much miss her support and care, we are so proud of her for taking steps towards her new career in Care and Social Work.

taught me over the last three and a bit years! I have thoroughly enjoyed my time here and am so grateful for all the new skills I have learnt, and especially the lovely friends I have made through both staff and customers ”

For the last 6 years, we've been producing our food menu from our kitchen upstairs, and this has worked until now! With the current economy, and changes incoming, we needed to streamline the way we're working simply to survive.

We've tried to keep a balance between the simpler

[illegible]

coffee shop classics, and our cultural favourites. Some have stayed, some have had to go, but if there's any Sudanese/Egyptian favourites you're missing, keep an eye out for our Sudanese Saturdays!

Plus, we've made the switch to sourdough!

## And our opening hours!

Since January and February are always a little quieter, and we'd noticed dips in footfall around these times...we're now open on shorter hours during the week for now!

Tuesday, Wednesday, Thursday 10am-3pm

Friday & Saturday 9am-4pm

## **NEW! Sudanese Saturdays...**

We've found during the week, there's not so much demand for our afro-arab cuisine. Unfortunately for us, a lot of Northwich 'just want a sandwich' or our Cheese on Toast...but fear not! For those of you who love us for who we are...we've launched our new Sudanese Saturdays where we serve a specials menu of our home-cooked family recipes from Sudan, Egypt and family friends across the world.

**Our next Sudanese Saturday: 25th January**

## **More change...Upstairs is becoming an events and retail space....again!**

You may remember that we used to have a shop and events space on our first floor? Well, we're

bringing it back (kind of). Now run by ourselves, we'll be stocking local independent retailers ONLY, to create a one-stop gift shop and workshop space. If you're interested in hosting a workshop, give Soph a shout via [sophie@abdas.co.uk](mailto:sophie@abdas.co.uk) , or send us a message!

That's all for now, if you made it this far...thank you for reading!

We wanted to thank everyone who has continued to support us. You may have noticed a fair number of independents closing not just across the country recently, but in our own little town of Northwich. We say it all the time, but it's incredibly tough being a small business. Unfortunately, especially since the pandemic, there was no real light at the end of the tunnel and it's only continued to get tougher! We can't stress enough the importance of supporting small, we've made it through nearly seven years, and we'd love to be here to stay! See you in the shop soon for your favourite coffee, cake and culture...
