Reminders:

- Enter the building through the back door, not this front door.
- No smoking in the front parking lot at all.
- Treatment centers: We want your clients to feel welcome at our meetings, but please consider donating to help us stay open so we can be here for them. For example, 10 attendees who visit 2x per week comes to \$80/month (that's only \$1 per person). Donations can be made through studio164.org, or contact Rachel: 602-561-7688.
