

Berne Twp Fire

Explorer Program

What is Exploring?

Exploring is a learning for a life Career Education program for young men and women ages 14 to 21 years old. Fire Exploring gives young people valuable insight into the fire service profession by offering hands on career activities and training.

As A Explorer: You will develop leadership skills, A new personal skillset, and respect for firefighter and other Explorers. You will also partake in trainings and scenarios with the crew on duty and hands on when service calls. With the exception of interior fire fighting.

All of this is made possible through the Boy Scouts Of America Exploring program which you can find more info on this at www.Exploring.org.

Fees: \$45.00 yearly fee per participant

Applications can be found at my.scouting.org

If the interest is there and you think that this is something you would like to be involved in, and possibly make a difference in your community. Please reach out and we can help any way we can.
