## Our Story

After her own mastectomy, Tracey Tilmon-Jackson could not find garments in her size that were functional, comfortable and attractive. Tracey resolved that dilemma for other women with her company, LeeAngel's Garments, doing business as Sleek & Sexy. LeeAngel's Garments produces transforming full-figure mastectomy undergarments for surgical and post-surgical women at a time when they need it most and is a manufacturer and distributor of garments for men, women and children.
