How to Verify Your Property Fraud Alert Registration

Follow the step-by-step instructions below to complete your registration.

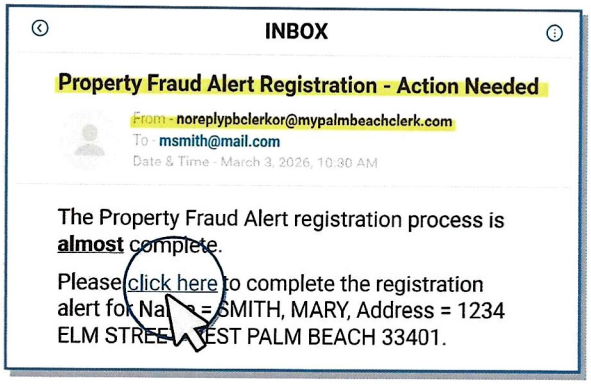

MIKE CARUSO
CLERK OF THE CIRCUIT COURT & COMPTROLLER
PALM BEACH COUNTY

1 Verify Your Email to Complete Registration

After submitting your information on the Property Fraud Alert website, you will see a message that says "**Property Fraud Alert Registration Process Nearly Complete.**"

This means a verification email has been sent to the email address you provided.

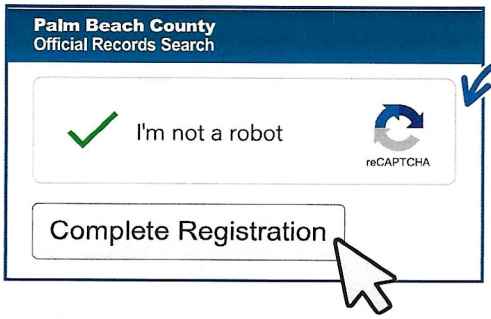

Look for an email with the subject "**Property Fraud Alert Registration - Action Needed**" from *noreplypbclerkor@mypalmbeachclerk.com*.

Open the email and click the verification link.

If you do not see the email, check your Spam or Junk folder.

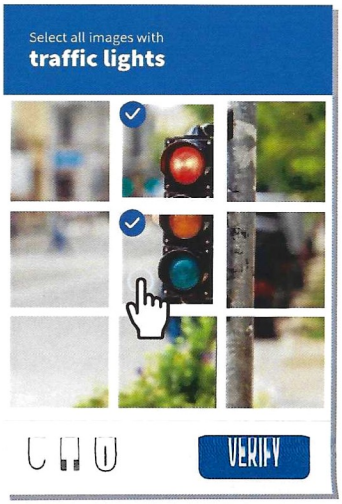

2 Complete the CAPTCHA Security Check

After clicking the verification link, you will be asked to complete a security check.

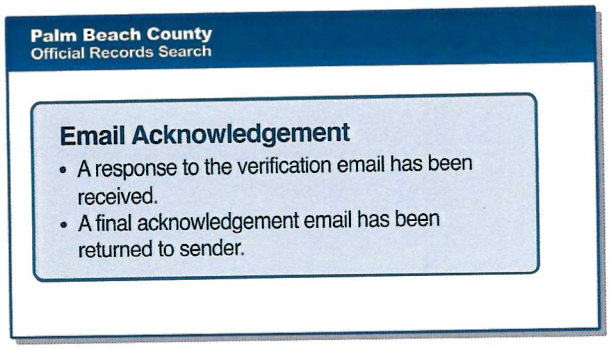

You may see:

- A box that says "**I'm not a robot**", or
- An image puzzle such as "**Select all images with traffic lights.**"

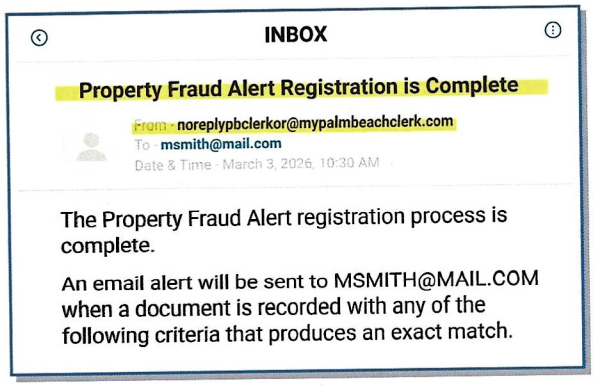

IMPORTANT: You must complete this step to activate your Property Fraud Alert.

3 Look for Your Confirmation Email

After completing the CAPTCHA security check, you will see a message that says, "**Email Acknowledgement**"

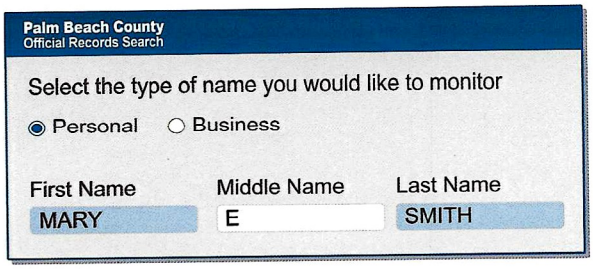

This means a confirmation email has been sent to the email address you provided.

Once the verification is complete, you will receive a second email confirming:

"**Property Fraud Alert Registration is Complete**" from *noreplypbclerkor@mypalmbeachclerk.com*.

i Registration Tips:

Name variations example:

- *Mary Smith*
- *Mary Ellen Smith*
- *Mary E Smith*

Property Fraud Alert notifications are sent only when a recorded document **exactly matches** the name, address, or parcel number you entered.

Consider registering variations such as:

- Middle names or middle initials
- Abbreviations
- Business name variations
- Address variations or abbreviations

Each name registration requires email verification.

Please note: If you register multiple name variations, you must complete the email verification and CAPTCHA process for each one to activate the alert.
