There is hereby created a special fund, designated the “City of Dietrich Water Revenue Bond Fund” (the “Bond Fund”), which shall be maintained by the Treasurer into which shall be deposited, from the Net Revenues of the System, the following amounts:

A. The moneys herein allocated shall be used solely to pay currently maturing installments of principal of and interest on the Bond or any serial bonds to which the Bond may be converted.

B. If the City for any reason shall fail to make such deposit, then an amount equal to the deficiency shall be deposited into the Bond Fund from the Reserve Fund, described hereinafter.

Section 13: DEBT SERVICE RESERVE FUND

A. Deposits. There is hereby created a special fund known as the “City of Dietrich Water Revenue Bond Debt Service Reserve Fund” (the “Reserve Fund”), which shall be maintained by the Treasurer so long as the Bond remains outstanding. There shall be deposited into the Reserve Fund, within one year from the date of issuance of the Bond, from Net Revenues, an amount equal to one-tenth of an annual payment of principal and interest on the Bond, and a like sum shall be deposited therein from Net Revenues on each anniversary date of the Bond thereafter, until there has been accumulated in the Reserve Fund an amount equal to one year’s principal and interest requirements on the Bond. The sum so accumulated shall be maintained as a debt service reserve fund for the Bond, or any serial bonds to which the Bond may be converted, until the Bond or serial bonds have been paid in full. The City shall establish such subaccounts within the Reserve Fund, and shall comply with such restrictions on the investment of moneys in such subaccounts, as may be required by the Tax Certificate executed by the City at the time of the delivery of the Bond.

B. Deficiencies or Withdrawals. Whenever any moneys are withdrawn from the Reserve Fund to pay a principal of or interest on the Bond, or if a deficiency exists therein, the amount so withdrawn or the amount of such deficiency shall be restored by monthly deposits from Net Revenues until there has been restored therein the gross amount provided heretofore in subdivision A of this Section.

C. Refunding. In the event refunding bonds are ever issued, the amount set aside into the Reserve Fund to secure the payment of the Bond may be used to retire bonds or may be

held in the Reserve Fund to secure payment of the refunding bonds issued, to refund the outstanding refunding bonds, or may be held in the Reserve Fund to secure the payment of any other issue or series of bonds payable out of the Bond Fund and issued on a parity with the Bond.

D. Investments. All moneys in the Reserve Fund may be kept in cash or deposited in institutions permitted by law in an amount in each institution not greater than the amount insured by any department or agency of the United States Government, or may be invested and reinvested in any legal investment permitted for City moneys maturing not later than the last maturity date of any outstanding bonds. Interest earned on any such investment shall be deposited, directly as earned, into the Bond Fund.

Section 14: SURPLUS FUNDS

Funds remaining in the Revenue Fund after having been applied to or designated funds for the purposes provided in Section 11A of this Ordinance shall constitute surplus funds and may be used for any of the following purposes:

- D. To acquire or construct additional water facilities in or for the City;
- E. To call or redeem prior to their fixed dates of maturity any Bond, parity bonds, or subordinate lien obligations issued to provide water facilities for the City; and
- F. For any other lawful purpose.

Section 15: ADDITIONAL BONDS OR OTHER OBLIGATIONS

A. Limitation Upon Issuance of Parity Obligations. Nothing contained in this Ordinance shall be construed in such a manner as to prevent the issuance by the City of Additional Bonds or other additional obligations payable from the Net Revenues on a parity with, but neither prior nor superior to, the lien of the Bond herein authorized; provided, however, that before any such Additional Bonds or other additional parity obligations are authorized or actually issued:

- (1) Any consent required by the Loan and Grant Approval Conditions and Loan Resolution referred to in Section 3 of this Ordinance shall have been obtained.

(2) The City is not, and has not been, in default as to any payments required by the provisions of this Ordinance for a period of not less than twelve (12) months immediately preceding the issuance of such Additional Bonds or other additional parity obligations.

(3) The Net Revenues of the System for the past twelve (12) consecutive months immediately preceding the year of the issuance of such Additional Bonds shall have been sufficient to pay the Operation and Maintenance Expenses of the water System for said past twelve (12) months, and, in addition, sufficient so that the Net Revenues for such preceding year equal an amount representing at least 110% of the annual principal and interest requirements of the outstanding Bond, and any other obligations of the City payable from the Net Revenues of the System.

(4) The Estimated Net Revenues of the System for the twelve-month period immediately succeeding the issuance of the bonds or other obligations proposed to be issued will be not less than 110% of the annual principal and interest requirements of the Bond and any other obligations of the City payable from the Net Revenues of the System, plus the average annual principal and interest requirements of the Additional Bonds or other obligations proposed to be issued.

(5) A written certification by an independent certified public accountant that the 110% Net Revenue requirement of subsection (3) above, and the 110% Estimated Net Revenues requirement of subsection (4) above have been satisfied shall be obtained and filed with the City, which certification shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell, and deliver said Additional Bonds or other additional obligations on a parity with the Bond authorized herein.

(6) The foregoing limitations, or any of them, may be waived or modified by the written consent of the Registered Owner of not less than 75% of a principal amount of the Bond then outstanding.

B. Parity Bonds to Complete Project. In the event grant funds, plus the proceeds of the Bond provided for in this Ordinance, are insufficient to complete the Project, then parity bonds or other obligations may be issued to complete the Project, and the restrictions set forth in this Section pertaining to the issuance of parity bonds shall not apply.

C. Subordinate Lien Bonds. No provision of this Ordinance shall be deemed to limit or restrict the power of the City to issue bonds, notes or warrants, or to make pledges of the revenues which shall be subordinate as to the lien of the Bond and which shall provide for compliance with the current provisions hereof prior to the application of any funds to said subordinate purpose, provided that any consent required by the Loan and Grant Approval Conditions and Loan Resolution referred to in Section 3 of this Ordinance shall have been obtained.

D. Refunding. The restrictions with respect to the issuance of parity obligations shall not apply if such additional parity bonds proposed to be issued are for the sole purpose of refunding outstanding water revenue bonds.

Section 16: INVESTMENTS

Surplus funds in any of the Funds set forth in this Ordinance may be invested in securities as permitted by law.

Section 17: GENERAL COVENANTS

For the protection and security of the Bond, it is covenanted and agreed to and with the Registered Owner of the Bond from time to time, that the City will perform the following covenants:

A. Complete Project. It will complete the construction of the Project with all practical dispatch and in a sound and economical manner.

B. Operate System. It will operate the System in an efficient and economical manner and prescribe, revise, and collect such charges in connection therewith so that the services, facilities, and properties of the System may be furnished at the lowest possible cost consistent with sound economy and prudent management.

C. Good Repair. It will operate, maintain, preserve, and keep the System and every part hereof in good repair, working order, and condition.

D. Corporate Status. It will maintain its status as a municipal corporation of the State of Idaho and will take no steps to disincorporate or otherwise change its corporate status.

E. Preserve Security. It will preserve and protect the security of the Bond and the rights of the Registered Owner thereof.

F. Collect Revenues. It will collect and hold in trust the revenues and other funds pledged to the payment of the Bond and apply such revenue or other funds only as provided in this Ordinance.

G. Service Bond. It will pay and cause to be paid punctually a principal of the Bond and the interest thereon on the date or dates and at the place or places and in the manner mentioned in the Bond, and in accordance with this Ordinance.

H. Pay Claims. It will pay and discharge any and all lawful claims for labor, materials, and supplies which, if unpaid, might by law become a lien or charge upon the Revenue of the System, or any part of said Revenue of the System, or any funds in the hands of the

Treasurer, prior or superior to the lien of the Bond or which might impair the security of the Bond, to the end that the priority and security of the Bond shall be fully preserved and protected.

I. Encumbrances. It will not mortgage or otherwise encumber, sell, lease, or dispose of the System or any part thereof, nor enter into any lease or agreement which would impair or impede the operation of the System or any part thereof necessary to secure adequate revenues for the payment of a principal of and interest on the Bond, nor which would otherwise impair or impede the rights of the Registered Owner of the Bond with respect to such revenues of the operation of the System without provisions for the retirement of the Bond then outstanding from the proceeds thereof.

J. Insurance. It will procure and keep in force insurance upon all buildings and structures of the System and the machinery and equipment therein, which are usually insured by entities operating like property, in good and responsible insurance companies. The amount of the insurance shall be such as may be required to adequately protect it and the Registered Owner of the Bond from loss due to any casualty, and in the event of any such loss, the proceeds shall be used to repair or restore the System or for the payment of the Bond issued under this Ordinance.

K. Fidelity Bonds. It will procure suitable fidelity bonds covering all of its officers and other employees charged with the operation of the System and the collection and disbursement of revenues therefrom.

L. Engineers. It will employ consulting engineers of acknowledged reputation, skill, and experience in the improvement and operation of the System for any unusual or extraordinary items of maintenance, repair, or betterments as shall be required from time to time, all reports, estimates, and recommendations of such consulting engineers to be filed with the Clerk and furnished to the Registered Owner of the Bond issued hereunder, upon request.

M. Accounts. It will keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the System, and it will furnish complete operating and income statements upon request.

N. Delinquencies. It will not furnish water service to any customer whatsoever free of charge, and it shall not later than sixty (60) days after an account becomes delinquent, take such legal action as may be reasonable to enforce collection of any collectible delinquent account.

Section 18: SPECIAL COVENANTS

The City further covenants and agrees:

A. In accordance with Section 149(a) of the Internal Revenue Code of 1986, as amended (the "Code"), the Bond, and any serial bonds to which it may be converted, shall be issued and remain in fully registered form in order that interest thereon be excluded from gross

income of the owner or owners for federal income tax purposes. The City covenants and agrees that it will take no action to permit the Bond, or any serial bonds to which it may be converted, to be issued in or converted to bearer or coupon form.

B. The Bond is hereby designated as a “qualified tax-exempt obligation” within the meaning and for the purposes of Section 265(b)(3) of the Code, and the City does not reasonably anticipate that it will designate more than \$10,000,000, including the Bond, as qualified tax-exempt obligations during the calendar year in which the Bond is issued.

C. None of the proceeds of the Bond will be used, directly or indirectly, (i) to make or finance loans to persons or (ii) in any trade or business carried on by any person (other than as a member of the general public). For purposes of the preceding sentence, the term “person” does not include a government unit other than the United States or any agency or instrumentality thereof, and the term “trade or business” means any activity carried on by a person other than a natural person. The City further covenants and agrees to take no action which would cause the Bond to be a “private activity bond,” nor will it omit to take any action necessary to prevent the Bond from becoming a “private activity bond,” within the meaning of Section 141 of the Code.

D. The City has general taxing powers. The Bond is not a “private activity bond” within the meaning of Section 141 of the Code. 95% or more of the net proceeds of the Bond is to be used for the local governmental activities of the City. The City has no subordinate entities. The City has not issued, and does not reasonably anticipate that it will issue, tax-exempt obligations in the calendar year in which the Bond is issued in a face amount which exceeds \$5,000,000. Accordingly, under Section 148(f)(4)(D) of the Code, the City is not required to pay rebates to the United States under Section 148(f) of the Code.

E. The Mayor, Clerk, and Treasurer, and other appropriate officials of the City, or any one or more of such officials, as may be appropriate, are each hereby authorized and directed to execute, on behalf of the City, such certificate or certificates as shall be necessary to establish that the Bond is not an “arbitrage bond” within the meaning of Section 148 of the Code and the Treasury Regulations promulgated thereunder, and to establish that interest on the Bond is not and will not become includable in the gross income of the owner(s) of the Bond under the Code and applicable regulations. The City covenants and agrees that no use will be made of the proceeds of the Bond, or any funds of the City which may, pursuant to Section 148 of the Code and applicable regulations, be deemed to be proceeds of the Bond, which would cause the Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code. The City further covenants to comply throughout the term of the Bond with the requirements of Section 148 of the Code and the regulations promulgated thereunder in order to prevent the Bond from becoming an “arbitrage bond.”

F. The City will comply with the information reporting requirements of Section 149(e) of the Code.

G. None of the proceeds of the Bond will be used to reimburse the City for capital expenditures made prior to the date of delivery of the Bond unless the City, not later than 60 days after the payment of such expenditure, shall have adopted an official intent resolution as provided by Section 1.150-2 of the Treasury Regulations.

Section 19: AMENDMENTS

A. The City from time to time and at any time may adopt an ordinance or ordinances supplemental hereto, which ordinance or ordinances thereafter shall become a part of this Ordinance, for any one or more of all of the following purposes:

(1) To add to the covenants and agreements of the City in this Ordinance, other covenants and agreements thereafter to be observed, which shall not adversely affect the interest of the Registered Owner of the Bond, or to surrender any right or power herein reserved.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting, or supplementing any defective provisions contained in this Ordinance, or any ordinance authorizing future bonds in regard to matters or questions arising under such ordinances as the Council may deem necessary or desirable and not inconsistent with such ordinances and which shall not adversely affect, in any material respect, the interest of the Registered Owner of the Bond.

Any such supplemental ordinance may be adopted without the consent of the Registered Owner of the Bond at any time outstanding, notwithstanding any of the provisions of subsection B of this Section.

B. With the consent of the Registered Owner of not less than 75% in aggregate principal amount of the Bond at the time outstanding, the Council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall:

(1) Extend the fixed maturities of the Bond, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of a principal thereof, or reduce any premium payable on the redemption thereof, if applicable, without the consent of the Registered Owner of the Bond so affected; or

(2) Reduce the aforesaid percentage of the Registered Owner required to approve any such supplemental ordinance.

It shall not be necessary for the consent of the Registered Owner under this subsection B to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

C. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations of the City under this Ordinance and the Registered Owner of the Bond outstanding hereunder shall thereafter be determined, exercised, and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

D. Any Bond executed and delivered after the execution of any supplemental ordinance adopted pursuant to the provisions of this Section may have a notation as to any matter provided for in such supplemental ordinance, and if such supplemental ordinance shall so provide, new bonds so modified as to conform, in the opinion of the Council, to any modification of this Ordinance contained in any such supplemental ordinance, may be prepared and delivered without cost to the Registered Owner of the Bond then outstanding, upon surrender for cancellation of the Bond.

Section 20: VALIDITY OF ISSUANCE

The Bond is issued pursuant to the Idaho Revenue Bond Act, being Idaho Code Sections 50-1027 through 50-1042. This recital is conclusive evidence of the validity of the Bond and the regularity of its issuance.

Section 21: REGISTERED OWNER'S REMEDIES - RECEIVER

By action or suit in equity, the Registered Owner or subsequent owners of the Bond may, in the event of a material violation of any of the foregoing covenants, cause the appointment of a receiver, which receiver may enter and take possession of the System and any Net Revenues for the payment of the Bond, prescribe fees to be derived from the System, and collect, receive, and apply all Net Revenues of other moneys pledged for the payment of the Bond in the same manner as the City might do in accordance with the obligations of the City.

Section 22: ORDINANCE A CONTRACT

The provisions of this Ordinance shall constitute a contract between the City and the Registered Owner so long as the Bond hereby authorized remains unpaid.

Section 23: SEVERABILITY

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of the Bond.

Section 24: REPEALER

All prior ordinances or parts thereof, to the extent inconsistent herewith, are hereby repealed and shall, to the extent of such inconsistency, have no further force or effect.

Section 25: AUTHORIZATION

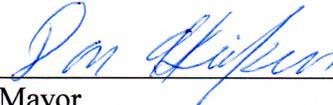

The Mayor, City Clerk, and City Treasurer, or any one of such officers, as may be appropriate to the circumstances, are hereby authorized to execute, on behalf of the City, all such additional documents as may be necessary to effect the sale and delivery of the Bond.

Section 26: PUBLICATION AND EFFECTIVE DATE

This Ordinance, or a summary thereof in compliance with Section 50-901A, Idaho Code, substantially in the form annexed hereto as Exhibit "B," shall be published once in the official newspaper of the City, and shall take effect immediately upon passage, approval, and publication.
