POSTGRADUATE & CONTINUING EDUCATION

Continuing education credit (CE) is administered by Life Chiropractic College West (Life West).

Neither a speaker's or exhibitor's presence at said event, nor product mention or display, shall in any way constitute Life West endorsement. Life West's role is strictly limited to processing, submitting, and archiving program documents on behalf of course sponsors.

While applications relating to credit hours for license renewal in elected states have been executed for these programs, it remains attendees' responsibility to contact the state board(s) from whom they seek continuing education credits for purposes of ensuring said board(s) approve both venue and content as they relate to any seminar/course/lecture/webinar/online presentation (event).

*Some licensing boards do not require an application when a program is sponsored by an institution accredited by the Council on Chiropractic Education. Life Chiropractic College West cannot warrant that every session of this offering will be automatically accepted by these licensing board(s). Life West urges licensees to familiarize themselves with the laws governing continuing education in the jurisdictions where they hold licensure.

DISCLAIMER FOR THE STATE OF MISSOURI: Approval of this course is not acknowledgment or ruling by the Board that the methods taught in this course are recognized and approved by the Board as the appropriate practice of chiropractic as defined in Section 331.010, RSMo.

REQUIRED INFORMATION FOR THE STATE OF NORTH CAROLINA: Life Chiropractic College West is a not for profit institution.
