

# Nevada Ready! State Pre-K Classrooms Now in Private Child Care Centers!

## What is Nevada Ready! Pre-K?

Nevada Ready! is an assistance program that provides access to high quality Pre-K experiences through a state grant from the Nevada Department of Education in partnership with United Way of Northern Nevada and the Sierra.

## Who is eligible to participate?

Children must be four years old by September 30th, and families must meet income qualifications. For more information, please contact any participating center.

## How does my child benefit?

Children engage in high quality learning with trained teaching staff. Staff provide intentional and age-appropriate experiences which are informed by State Pre-K standards. Meaningful, hands-on learning created the foundation for kindergarten readiness.

## What's included in high-quality Pre-K?

- A minimum experience of 25 hours per week.
- Evidence-based curriculum and assessment to prepare children for kindergarten.
- Exploration with thematic learning materials in a play-based environment.

## How do I enroll in Nevada Ready! Pre-K?

Contact a participating childcare center director to determine eligibility. Space is limited, so contact Sunshine And Rainbows today!
