## About MSCA

The establishment of a dynamic and inspiring Maori Sports and Cultural Association (MSCA), a not-for-profit incorporated association, which set out to make its mark in 2023. With a purpose firmly rooted in fostering meaningful opportunities, this association aims to create a nurturing environment where Maori players can thrive in & out of the sporting & cultural atmosphere.

The formation of MSCA stems from the desire to promote cultural pride, sportsmanship, & personal growth among our members and community. By engaging with athletes in sports, MSCA aspires to instil essential values such as teamwork, discipline, and resilience while cultivating a keen sense of identity and heritage.

This combination provides a platform for aspiring Maori sportspeople to highlight their skills, fostering talent development and supporting their dreams of sporting excellence while remaining connected to their heritage.

Through mentorship, coaching, & community involvement, MSCA seeks to empower these athletes to become well-rounded individuals who can make a positive impact both on and off the field in their sports and culture.

Our mission is simple: to inspire and empower both Maori and non-Maori through their spirit of whanaungatanga (kinship) and manaakitanga (hospitality).

# Our Whanau Sponsorship Package

Our Association is running a sponsorship program called 'Our Whanau' to raise putea (funds) to tautoko (support) our players and volunteers.

The sponsorship program is based upon the truth that when Maori come together as one 'Whanau' we can achieve great things for our community by acting consistently, patiently and with synergy.

We are looking for 50 Our Whanau sponsors to commit to \$20 per month for 12 months.

## Fifty Whanau Sponsorship Package

- \$5 per week
- \$10 per fortnight
- \$20 per month
- \$240 full payment for the year

## Our Whanau Sponsors receive in return:
