

**FOUR TRANSFORMATIVE SESSIONS WITH
ANIMAL COMMUNICATOR JESSICA SAUTER**

**HEAR
THE
HERD**

Have you ever looked into a horse's eye and felt like they were trying to tell you something?

They were.

In this four-part series, animal communicator Jessica Sauter guides you into the intuitive channel between humans and horses — the language beyond words that most of us have been taught to ignore. Surrounded by the rescued therapy herd at Metaphorse, you'll learn to quiet the noise, trust what you're feeling, and discover that the horses have been waiting for you to listen.
