

The Giving Tree

How It Works:

1. Nominate a Child: Scan the QR code below to submit your nomination. Please answer each question on the nomination form.
2. Review & Confirmation: Our team will review all submissions and reach out if selected. Application is not a guarantee the child will be chosen.
3. Shopping for Gifts: After confirmation, we'll schedule a convenient time for you to shop for the child(ren). This gives you the flexibility to pick out the perfect items and ensures we get everything right. We believe every child deserves to feel the joy of the season, and with your help, we can make that happen.
