

**Hello Grand Haven homeowners!**

My name is Mary Beth Bass, I live in Grand Haven and I am starting a luminary program so we can enjoy the holidays with the warm glow of luminaries.

HOA Luminaries has setup a special webpage specifically for our neighborhood to order luminaries. By ordering on our own webpage we receive a 25% discount off the listed price for our luminary sets. This page will continue on the future so we can maintain and grow our neighborhood display.

We each order separately to ship to our own homes and we receive free shipping on orders over \$100.

These luminaries are the highest quality luminaries available and come with a 10-year warranty on the luminaries. We should expect up to 20 years of use from these luminaries. They are worth investing in!

I hope you decide to join our neighborhood holiday spirit. Let's have fun while bringing closer unity with each other!

Please visit our webpage below for buying luminaries. Feel free to call or email David for help. Thank you!
