

## Grand Haven at Alcovy Mountain HOA Borrowing Policy

HOA Board Policy for borrowing tables and chairs from the clubhouse, limited to 8 chairs and 2 tables for 24 hours.

Contact Diane Chadwick, she will check the official calendar for the date you wish to borrow the tables/chairs. She will let you know if there is a conflict. All community events take priority for use of the table and chairs.

If there is no event scheduled, she will put your name down and what you intend to borrow. The residents will pick up at their convenience. Time limit to borrow is 24 hours. No one will meet you to 'check out' the tables and/or chairs. Contact Diane when you are ready to return the items and she will meet you at the clubhouse to sign the form to say that the items have been returned. Think of this as a simple 'library' system.

If damage is done to any of the tables and or chairs, the resident will be responsible for replacing said item within 7 days. Replacement will be by the resident at their expense, Replacements must match equipment that was borrowed.

The only items available to borrow are the folding chairs, card tables and white tables.....this does NOT include any kitchen items or outside patio furniture. This does NOT include the round white tables or poker tables used for cards/games.
