## DONATIONS NEEDED

We are currently in need of stuffed animals (preferably a dog or a puppy) and picnic baskets, we will even take gently used. If you have either of these items, please get in touch.

## HAPPENINGS

We are doing cute tank top sales very soon! Roughly half of the proceeds from the sales will go toward PWAP's mission.

We have begun outreach to [Can Do Canines](#) and [All Breed Obedience](#) so that we are able to serve a larger population of children with needs!

**We're on Instagram! Follow us at [@picnicswithapup](#)**

PWAP has a new partnership with [Project Linus](#) and we can now offer a warm puppy and a warm blanket to every child that receives a basket from us.

[Ever heard of a Lulla Doll?](#) Check out the link to learn about this amazing sleep companion! They are manufactured and sold by three mothers in Iceland and they are interested in what we are doing! We hope to be adding the Lulla Doll as an addition to our baskets.

## BOARD MEMBER SPOTLIGHT

Picnics with a Pup has a growing team and group of supporters, but it all started with one.

Meet Kara Salzmann, Founder and Executive Director of PWAP. Kara describes her involvement with PWAP as a passion that came to her at a time where gratitude met a call for service. "The feeling of gratitude I felt every single day for healthy, happy children, made me want to do more for others who aren't as fortunate. This is not only a passion for me, but a responsibility I feel to give back."

Meet Sally: a Goldendoodle therapy dog in training. She has a love for playing ball and eating crayons! She is looking forward to camping with her family this summer!
