Foundations: These classes offer a sensory-rich yet caring and gentle environment where infants and young toddlers can explore and react to new sounds, sensations, objects and movements.

Level 2: These classes encourage older toddlers to initiate their own ideas, nurturing social-emotional growth and cognitive development in a playful, exploratory environment.

Level 3: These classes are designed to engage preschoolers' natural love of music and activate their imaginations, while developing their growing language and social-emotional skills.

Level 4: These classes offer first experiences with musical symbols and more advanced instruments, laying the groundwork for formal music introduction and ensuring school readiness.
