Services

In-Room (or RV) Pet Sitting is priced per "room of pets" rather than per individual pet. The number and type of included pets will vary according to the specific policies of your hotel or RV park. Pet sitting includes administration of food, water, and non-invasive medications, daily litter cleaning and/or 3-4 potty breaks, clean-up of any accidents, lots of playtime & cuddles, and a max of 60 minutes daily walking time per pet (replaced with indoor enrichment activities when required by the weather and/or my health condition). Your pet will be continuously attended to unless your host property allows otherwise, in which case I may leave briefly without your pet in order to run a quick errand like retrieving something from my car or picking up lunch. **The rates listed below do not include parking fees, which vary by property.**

\$65 [Half Day](#) Up to 6 continuous hours of care provided between 8 AM and 10 PM; \$80 Holiday Rate

\$100 [Extended Day](#) Over 6 continuous hours of care provided between 7 AM and 12 AM; \$120 Holiday Rate

Midweek Discount: \$80 on non-holiday Tuesdays, Wednesdays, or Thursdays
