Stacie Stewart, CEO

Stacie Stewart, an eminent figure in the construction industry, is celebrated for her extraordinary expertise, unwavering tenacity, and innovative approach. As the visionary CEO of Build With Stacie, she has made a profound impact not only in the Dallas/Ft. Worth Metroplex but on the national stage.

With an illustrious career spanning over two decades, Stacie personifies resilience, an unwavering commitment to excellence, and an indomitable spirit. Born in Venezuela and raised along the East Coast in Maryland, Washington D.C., and Virginia, her formative years laid the foundation for her future triumphs. In 2000, she embarked on a pivotal journey to Dallas, drawn by the burgeoning opportunities in the construction sector, leading to the inception of her first business, BWI Contractors, an entity that would redefine luxury custom homes and elevate integrity-driven construction standards. That venture paved the way for Build With Stacie.

Her accomplishments, including recognition as one of the best women-owned businesses in Tarrant County and a feature on WFAA-TV, Channel 8, underscore her exceptional achievements in the DFW area, including a noteworthy track record of millions in real estate transactions.

Stacie's commitment to her craft is matched by her dedication to giving back. Leveraging her extensive experience, she empowers aspiring builders through her comprehensive consulting and mentor services. Her program equips individuals with the essential tools and insights needed to flourish in the industry, highlighting the potential for anyone to thrive with determination and guidance.

Stacie's story stands as a testament to triumph over adversity, resilience in the face of challenges, and an unwavering pursuit of excellence. Her new book, 'Mastering The Art of Building: A Comprehensive Construction Manual,' marks the culmination of her twenty-five years of experience, poised to inspire and mentor aspiring builders. It offers a roadmap to avoid unnecessary setbacks and frustrations, guiding them toward a promising start on the path to resounding success.

VISION

To become a guiding beacon for aspiring individuals seeking entry into the construction industry and a resource for those looking to scale and excel.

MISSION

My mission is rooted in the unwavering commitment to share the wealth of knowledge, experience, and insights amassed throughout my journey. By providing mentorship that extends beyond guidance, furnishing educational resources that illuminate pathways, and fostering community engagement that sparks collective growth, my goal is to nurture a new generation of skilled professionals and to help extend the knowledge of existing professionals.

DIVERSITY STATEMENT

I firmly believe that diversity is not only a source of strength but a fundamental cornerstone of my success. I am committed to fostering an inclusive and equitable environment where every individual's unique background, perspectives, and talents are not only valued but celebrated.

My commitment to diversity goes beyond compliance; it's a core value that influences every aspect of my operations, interactions, and decisions. I recognize that a diverse workforce enriches creativity, drives innovation, and enhances the ability to understand and serve the needs of my clients and communities.

CORE VALUES

Integrity and Transparency: I believe in open communication, maintaining the highest ethical standards, and treating every prospect and/or client with respect.

Innovation and Adaptability: I embrace innovation and continuously seek new methods, technologies, and processes to improve efficiency and effectiveness. I am adaptable to industry changes and evolving trends.

Resilience and Persistence: In the face of challenges, I remain resilient and persistent. I approach obstacles as opportunities to learn, adapt, and emerge stronger than before.

Services

Business Consulting

At Build With Stacie, clients can explore specialized business consulting services, meticulously crafted to help them reach their goals. With a focus on leveraging cutting-edge strategies and processes, the goal is to fine-tune business operations, boost profitability, and fuel growth. Whether a startup in need of expert guidance or an established company striving to remain competitive in an ever-evolving market, BWS is here to offer the invaluable insights and tailored solutions.

Speaking Engagement

Build With Stacie offers a unique opportunity to engage with Stacie Stewart, a seasoned expert in the field of construction and entrepreneurship. Stacie's speaking engagements provide a platform for audiences to gain insights from her decades of experience and dynamic career journey. Her compelling presentations inspire and educate on a wide range of topics, from construction industry trends to leadership, resilience, and entrepreneurship. Stacie's engaging speaking style and real-world anecdotes resonate with audiences, making her an ideal choice for conferences, seminars, and events. With a wealth of knowledge and a passion for sharing her experiences, Stacie's speaking engagements are a valuable resource for those seeking to expand their horizons, learn from a seasoned professional, and ignite their own paths to success.

Mentorship

Build With Stacie is proud to introduce a mentorship program led by Stacie Stewart, offering a unique opportunity for individuals seeking guidance and support in the construction and entrepreneurial realms. Stacie's mentorship is a one-of-a-kind chance to tap into her extensive experience and in-depth knowledge. Whether you're just starting out in the construction industry, looking to advance your career, or aspiring to launch your own business, this program provides a guiding hand. Stacie's personalized insights empower mentees to navigate the complexities of the industry, overcome challenges, and make informed decisions. Stacie's unwavering commitment to fostering the growth and success of others makes her mentorship a valuable resource for those looking to thrive in the world of construction and entrepreneurship.

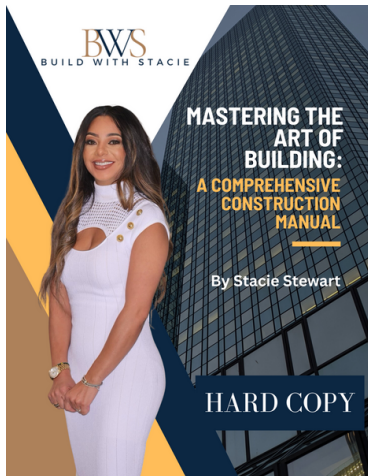

In-House Lending

Build With Stacie and Thompson Lending partnered to offer clients an opportunity to secure the ideal mortgage loan. We believe that with the right mortgage, clients can achieve substantial savings, more manageable monthly payments, and a faster path to building equity in their homes. We are committed to ensuring that the mortgage experience is a positive one, enabling clients to make sound financial decisions that will impact their future positively.

\$777.00 - Promotional Price
\$1,554.00 - Retail Price

DESCRIPTION OF FORMS

- ☐ **AGREEMENT**- This form **MUST** be filled out before work begins. This is your only insurance for the quoted price.
- ☐ **LIEN RELEASES**- This form **MUST** be signed every time you issue a check to a subcontractor or even if you pay the sub in cash. If you pay a sub three times, as in the case of the plumber, he signs three lien releases. One for every payment issued.
- ☐ **INSURANCE WAIVER AND RELEASE OF LIABILITY**-This form **MUST** be signed before work begins. This form releases you as well as The Owner / Builder Network from liability or injuries on the job.
- ☐ **TEXAS WORKERS' COMPENSATION COMMISSION RELEASE FORM**- This form **MUST** be signed before work begins. This protects you in case there is injury or workers on the job site. It releases you from liability for the injuries.
- ☐ **AUTHORIZATION TO CHANGE SUBCONTRACTOR ORIGINAL BID PRICE**- This form is used to change the original bid. It is better to be safe than sorry. If you ask for something different to be done and you and the sub agree upon the price, fill out the form even if he says it's free.
- ☐ **BUILDERS RISK INSURANCE**- This form is used to get quotes for builders' risk insurance.
- ☐ **BID SELECTION WORKSHEET**- This form is for your organization only. It helps you to keep up with who you are getting bids from in each area.
- ☐ **CUSTOM CHOICES FOR YOUR HOME**- This form will help you get organized while making selections for your home.

STACIE STEWART: *Building Triumph* THROUGH UNYIELDING DETERMINATION

Stacie Stewart's journey from adversity to triumph shines as a beacon of unwavering determination. As the visionary, CEO and Founder of BWI Contractors, her name has become synonymous with resilience and innovation in the world of custom home building. Her luxury custom homes grace the Dallas/Ft. Worth Metroplex, a testament to her dedication to excellence and integrity. With over two decades in the industry, Stacie has navigated the highs and lows of real estate cycles, emerging even stronger. Her remarkable achievements have earned her recognition, featured articles, and a Quest For Success Award, cementing her as a true trailblazer.

Born in Venezuela and raised across the East Coast, Stacie honed her skills in property rehab and flipping. The year 2000 brought her to Dallas, drawn by the promise of growth in construction. This pivotal moment marked the birth of BWI Contractors, a venture committed to integrity-driven home construction.

Undaunted by the male-dominated home-building landscape, Stacie delved into the lending and financing aspects, eventually becoming her own lender. This expertise led her to transform distressed properties into profitable ventures. Her passion for construction fueled her determination to challenge gender biases head-on.

"BWI Contractors" embodies Stacie's commitment to integrity and excellence. The acronym stands for "Building With Integrity," a guiding principle that extends to her team.

The real estate market crashed and brought financial hardships, marital strains, and personal setbacks for Stacie, but her resilience was tested yet fueled by an unyielding spirit and guided by mentors. She emerged from the darkness and reignited her passion for construction.

Stacie's extensive experience now fuels her desire to give back. Through consulting services, she guides aspiring builders along the road to success. Her program imparts crucial insights into every facet of construction, believing

that tenacity and guidance pave the path to triumph.

Stacie's progression from adversity to empowerment stands as a testament to her indomitable spirit. You may pre-order her manual, "Mastering The Art Of Building: A Comprehensive Construction Manual" on her new website, BuildWithStacie.com. Also, anticipate the arrival of E-Books and comprehensive courses in the near future. Extracting insights from more than twenty-five years of both challenges and triumphs, these resources pledge to shed light on the paths of aspiring builders, mitigating potential setbacks and frustrations along the way.

FOR IMMEDIATE RELEASE

BUILD WITH STACIE LAUNCHES "MASTERING THE ART OF BUILDING: A COMPREHENSIVE CONSTRUCTION MANUAL"

DALLAS, TX, OCTOBER 27, 2023 – Build With Stacie (BWS), LLC is excited to announce a monumental moment in the world of construction as "Mastering The Art Of Building: A Comprehensive Construction Manual" makes its debut, promising to revolutionize the way builders, seasoned professionals, and DIY enthusiasts approach construction projects. Meticulously crafted and expertly authored, this manual is a treasure trove of knowledge and expertise in the realm of construction. Its strengths lie in its: Construction Fundamentals, Step-by-Step Instructions, Advanced Strategies, Expert Authorship, Digital Resources, and Continual Learning.

"Embarking on the journey of creating this manual has been an incredible experience, and today's launch fills me with immense joy. It was conceived from a profound aspiration to assist others in their construction endeavors and to generously share the wealth of knowledge I've gained throughout my career. It's truly a labor of love, and I'm excited to see it become a cherished companion for those who aspire to thrive in this industry. Along with comprehensive guidance, this manual also provides readers with essential forms and a detailed glossary, enriching their learning experience and equipping them with the tools needed for a successful construction journey," says Stacie Stewart, Author and CEO of Build With Stacie.

Toni Grant, the visionary African-American Designer and Founder of V'Che Label, a luxury fashion brand, has reshaped the fashion landscape. Her journey is a testament to the transformative power of mentorship. While initially immersed in real estate development and flipping, Toni's experience in the real estate industry played a pivotal role in her successful launch of her fashion brand. "Stacie's unyielding support and expertise illuminated the path to success for me. Through her guidance, I discovered the fortitude to persevere and turn my dreams into a tangible reality. Today, I take pride in having designed for renowned luminaries, and I'm proud to say we've demonstrated that passion, mentorship, and determination can definitely work in your favor," says Toni.

Armed with insider tips and expert insights, this manual empowers readers to streamline their construction projects, ultimately saving them valuable time, resources, and the headaches that often accompany such endeavors. It equips individuals with the essential knowledge and tools indispensable for accomplishing objectives in their construction endeavors, whether they are building their dream home, renovating a space, or pursuing a career in construction.
