

FOR IMMEDIATE RELEASE

BUILD WITH STACIE LAUNCHES NEW BRAND AND THE RELEASE OF A NEW CONSTRUCTION MANUAL

DALLAS, TX, OCTOBER 27, 2023 - Build With Stacie (BWS), LLC proudly announce its official launch, marking a significant milestone in the construction industry. With a commitment to education, innovation, and empowerment, this brand brings a wealth of knowledge and an extensive variety of services to builders, DIY enthusiasts, and construction professionals.

Stacie Stewart, CEO and Founder of Build With Stacie has made groundbreaking contributions to the construction industry and her community. She shared her enthusiasm by saying, "Our mission at Build With Stacie is to demystify construction, making it accessible and achievable for everyone. I believe that anyone can become a proficient builder with the right guidance, and this new brand is designed to make that journey as smooth and enjoyable as possible."

"It is a privilege to collaborate with a respected business leader dedicated to delivering outstanding service to her clients. Witnessing Stacie pave the way for numerous individuals seeking knowledge and opportunities in this domain is truly extraordinary," says Sidney Thompson, VP of Construction at Building With Integrity, LLC.

Build With Stacie offers a diverse array of services and products tailored to meet the diverse needs of its audience, including:

Business Consulting: Expert guidance to construction professionals, helping them navigate the complexities of the industry, optimize operations, and achieve their business goals.

Speaking Engagements: Stacie will delve into numerous construction subjects, offering audiences inspiration, knowledge, and practical insights to act upon.

Mentorship Programs: Aspiring builders and industry newcomers can benefit from Stacie's mentorship, gaining personalized guidance and perception to accelerate their careers.

Financing Solutions: Created to assist individuals and businesses in securing the financial resources needed to fund construction projects.

Educational Resources: The brand offers a variety of educational materials, including digital books, webinars, and now, the highly anticipated release of "Mastering The Art Of Building: A Comprehensive Construction Manual," a user-friendly and empowering manual that serves as an essential companion for anyone looking to excel in the world of construction. Readers will benefit from clear and concise guidance, supplemented by visual aids and illustrations to enhance their understanding of construction processes.

Build With Stacie is poised to become a leading hub for construction education, innovation, and motivation. With Stacie's passion and a dedication to empowering individuals, the brand is set to transform the way people approach building projects.

Build With Stacie, LLC aspires to be a guiding light for individuals embarking on a journey within the construction industry and a wellspring of knowledge for those striving to reach new heights. Our mission is rooted in a deep-seated dedication to disseminating the wealth of knowledge, experience, and insights accumulated throughout our journey. Through mentorship that extends beyond mere advice, educational resources that illuminate pathways, and active community involvement that fuels collective progress, BWS is committed to nurturing a fresh wave of skilled professionals and enhancing the expertise of those already in the field. At Build With Stacie, we are dedicated to building a stronger, more knowledgeable construction community for the benefit of all.

Stacie Stewart is a renowned figure in the world of custom home construction, celebrated for her visionary leadership as the CEO and Founder of Build With Stacie and Building With Integrity (BWI). With over two decades of industry experience, she has made pioneering contributions to luxury custom homes, leaving an indelible mark across the Dallas/Ft. Worth Metroplex. Stacie's journey from adversity to triumph, marked by resilience and determination, serves as an inspiring beacon of hope and empowerment. Her dedication to integrity-driven home construction, commitment to mentorship, and relentless pursuit of excellence continue to redefine possibilities in the field.

Building With Integrity (BWI), LLC is a fully registered, licensed, bonded, and insured minority, woman-owned construction service and building consulting company that services residential and multi-family new construction, remodel, rehab, and commercial interior finish-out projects.
