NEW! Sixty Days of Tulips Mix (20)

Tulipa

This mix of early, mid, and late spring bloomers offers your garden fresh bursts of color throughout the season. Each package includes multiple varieties and colors.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early to late spring

Advantages: Color variety; great in borders or planted in clusters; consider grouping with other flowers such as daffodils or crocuses

Mature Plant Size: Varies from 6"–24" tall

Light Requirements: Full sun to half sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Loamy, acidic, well-drained soil

\$15.00

NEW! Double Daffodil Duo (8)

Narcissus

These showy blooms are a springtime favorite of gardeners all over! Each package includes a mix of white with pink centers and white with yellow centers.

Hardiness Zones: 3–9

Plant Type: Perennial

Bloom Time: Mid to late spring

Advantages: Deer and rabbit resistant; can also be planted in containers; beautiful in cut arrangements

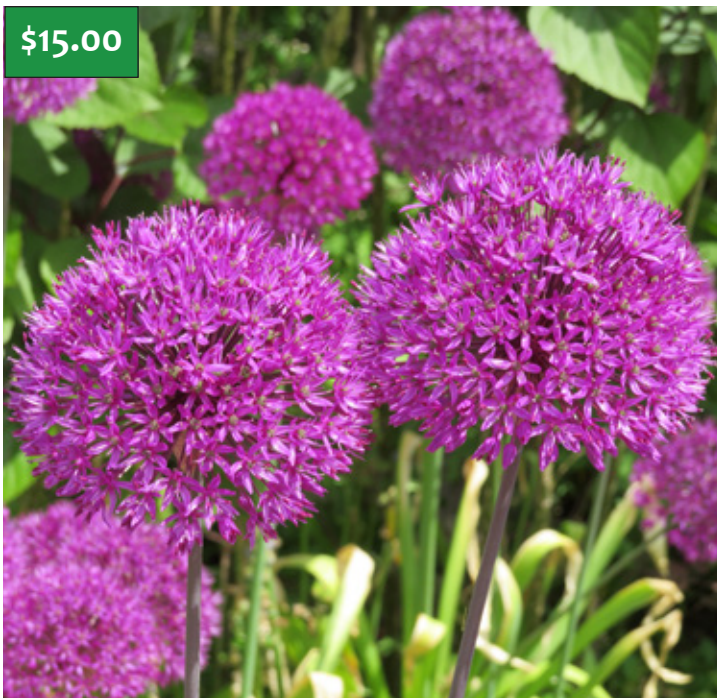

Mature Plant Size: 12"–24" tall

Light Requirements: Full sun to half sun

Plant Depth: 7" deep, 3" apart

Soil Type: Well-drained, loamy soil

\$15.00

NEW! Purple Sensation Allium (5)

Allium aflatunense or *Allium hollandicum*

Spectacular globe-shaped purple flowers 3"–5" across bloom in late spring to early summer. This deer-resistant gem is an excellent choice for cut arrangements, attracts butterflies, and will naturalize over time.

Hardiness Zones: 4–9

Plant Type: Perennial

Bloom Time: Late spring to early summer

Advantages: Deer, rabbit, and drought resistant

Mature Plant Size: 24"–36" tall

Light Requirements: Full sun

Plant Depth: 6"–8" deep, 8" apart

Soil Type: Neutral, well-drained soil

\$22.00

FAN FAVORITE! Tulip Mix (20)

Tulipa

Enjoy blooms from mid to late spring in a variety of colors including yellow, pink, orange, and red.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Mid to late spring

Advantages: Color variety; use in cut arrangements

Mature Plant Size: Varies from 6"–24" tall

Light Requirements: Full sun to half sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Loamy, acidic, well-drained soil

\$22.00

FAN FAVORITE! Daffodil Bulb Mix (25)

Narcissus

A springtime favorite, this assortment can include colors from white to yellow-orange and sizes from small cup to trumpet.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early to late spring

Advantages: Deer, drought, and rabbit resistant

Mature Plant Size: Varies up to 20" tall

Light Requirements: Full sun to half sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Well-drained, loamy soil

\$15.00

Snow Crocus Mix (25)

Crocus chrysanthus

These petite favorites are among the first to emerge in springtime and feature a palette of purples and yellows.

Hardiness Zones: 3–9

Plant Type: Perennial

Bloom Time: Early spring

Advantages: Perfect choice for borders and small spaces

Mature Plant Size: 4" tall

Light Requirements: Full sun to half sun

Plant Depth: 3" deep, 1"–2" apart

Soil Type: Loamy, acidic, well-drained soil

\$12.00

FAN FAVORITE! Snake's Head (10)

Fritillaria meleagris

Eye-catching checkered purple blooms are the focal point of this deer-resistant wonder. Good container plant.

Hardiness Zones: 4–8

Plant Type: Perennial

Bloom Time: Mid spring

Advantages: Deer and rabbit resistant

Mature Plant Size: 10" tall

Light Requirements: Full sun to part sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Loamy, average soil

Glory of the Snow (25)

Chionodoxa luciliae

As the name implies, this one is an early bloomer! Growing low to the ground, it naturalizes easily and is an excellent choice for borders and rock gardens.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early spring

Advantages: Deer and rabbit resistant

Mature Plant Size: Approx. 3"–6" tall

Light Requirements: Full sun to partial sun

Plant Depth: 4" deep, 2"–4" apart

Soil Type: Average, well-drained soil

FAN FAVORITE! Pink Lily Leek (40)

Allium oreophilum

Also known as Alpine Rosy Bells, this deer-resistant plant bears clusters of rosy pink flowers in late spring to early summer.

Hardiness Zones: 4–9

Plant Type: Perennial

Bloom Time: Late spring to early summer

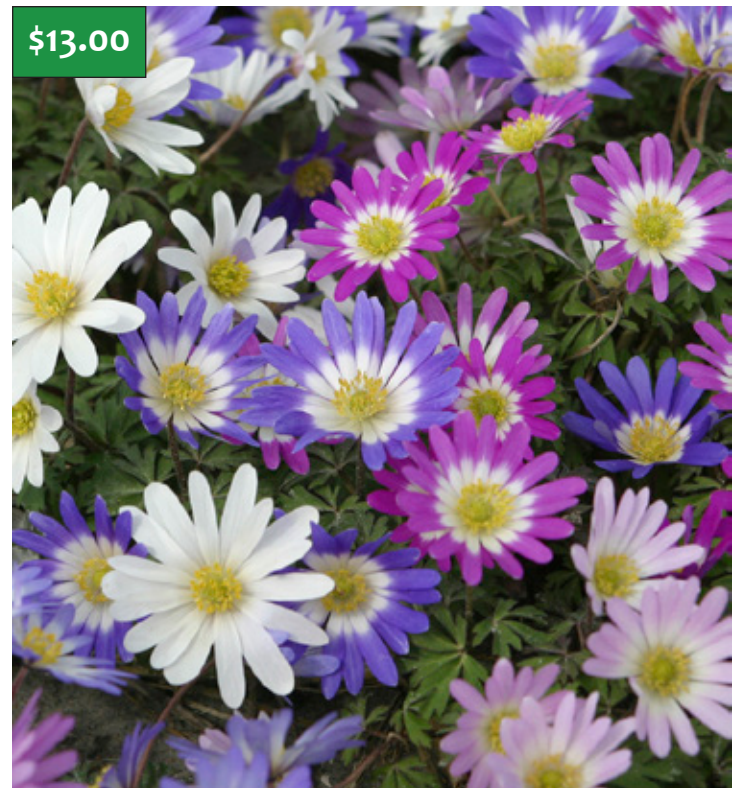

Advantages: Deer and rabbit resistant; attracts butterflies

Mature Plant Size: Approx. 8"–12" tall

Light Requirements: Full sun

Plant Depth: 2"–3" deep, 3" apart

Soil Type: Loamy, well-drained soil

FAN FAVORITE! Grecian Windflower Mix (15)

Anemone blanda

This beauty features daisy-like flowers, is deer resistant, and is an excellent choice for rock gardens as well as containers.

Hardiness Zones: 5–9

Plant Type: Perennial

Bloom Time: Early to mid spring

Advantages: Deer and rodent resistant

Mature Plant Size: Approx. 4"–6" tall

Light Requirements: Half sun/half shade

Plant Depth: 3"–4" deep, 2"–4" apart

Soil Type: Rich, loamy, well-drained soil

Add variety to your landscape the easy way with one of these collections!

NEW! Allium Rock Garden Mix (25)

Allium moly, *Allium oreophilum*, and *Allium sphaerocephalon*

Create a colorful display with these deer-resistant perennials! Mix includes Golden Garlic, Pink Lily Leek, and Drumstick Allium. 25 assorted bulbs; quantity of each type may vary per package.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Late spring to early summer

Advantages: Deer and rodent resistant; attracts pollinators

Mature Plant Sizes: 8"-12" for Golden Garlic and Pink Lily Leek; 24"-36" for Drumstick Allium

Light Requirements: Full sun

Plant Depth: 2"-3" deep, 3" apart

Soil Type: Loamy, well-drained soil

NEW! Spring Classics Collection (48)

Crocus chrysanthus, *Fritillaria meleagris*, *Narcissus*, and *Allium aflatanense*

Plant a flowerbed with this collection of bulbs, and you'll be treated to a variety of stunning blooms from early spring through early summer. Includes 25 Snow Crocus Mix, 10 Snake's Head, 8 Double Daffodil Duo, and 5 Purple Sensation Allium. **Save over 15% versus each variety purchased separately!**

Hardiness Zones: 4–8

Plant Type: Perennial

Bloom Time: Early spring through early summer, depending on variety

Advantages: A variety of colorful flowers blooming throughout spring; all except Snow Crocus Mix are deer resistant

Mature Plant Sizes: 4"-36" tall depending on variety

Light Requirements: Full sun to part sun

Plant Depths: Snow Crocus Mix 3" deep, 1"-2" apart; Snake's Head 6" deep, 3"-4" apart; Double Daffodil Duo 7" deep, 3" apart; Purple Sensation Allium 6"-8" deep, 8" apart

Soil Type: Loamy, well-drained soil

About Our Bulbs

We source our bulbs directly from Holland. These healthy, hardy, and unique varieties will succeed in various areas throughout the contiguous United States. The larger bulb sizes we offer will maximize the blooms in your garden right from the start.

With your bulbs, you will receive a general instruction sheet for planting. Bulbs should be planted as soon as the ground is cool, when evening temperatures average between 40°–50° F. You should plant at least six weeks before the ground freezes.

Know your hardiness zone, and be aware of the recommended hardiness zones for any bulbs you purchase. You can find out your hardiness zone by checking the map on the USDA's website at plants.usda.gov/hardiness.html. A hardiness zone map is also available on the landing page for the fundraiser you are supporting.

Three Rivers Wreath & Plant Company guarantees the quality and growth of every plant we ship, so long as each item is planted immediately upon receipt. If for any reason you are unhappy with a Three Rivers product, please notify us as soon as possible and we will be happy to offer a refund or exchange.

Please visit our group's fundraising page for more details!
