I have worked with a number of Agencies in my 25+ years of contracting and I must say that Causality and Simon rank in the top 3 (probably no1 in all honesty) both as a candidate and client. Simon takes a personal interest in his candidates and its not a case of place and then forget, he regularly follows up to see how things are and is willing to go the extra mile to ensure that his clients are fantastically looked after. I would without a moments hesitation recommend any future candidates or clients to use the services of Causality and Simon.
