Nouri's Place

OUR VISION

Nouri's Place is a nonprofit organization that provides a space for people with disabilities to enjoy social activities and learn valuable job and life skills.

OUR MISSION

01

Increase social activities for people with disabilities - and their loved ones

02

Provide life skills training to improve independence

03

On-site job training to improve employability

04

Informational sessions for individuals, providers and family members.
