

WRPBC Round Table Discussion  
Monday, March 7, 2022 – 11:30 AM – Stadium Court  
AGENDA

- 1) Welcome / Opening Comments – Board of Directors
- 2) **Discussion Item #1:**  
Should the club consider the creation of a regularly scheduled “group” that would focus on drills & skills for intermediate players?  
*\*\*Prior to discussion, Greg Marugg & Nancy Miller would like to make a short presentation of a program currently in development\*\**
- 3) **Discussion Item #2:**  
Should the club consider the realignment of the six upper (permanent) courts - instead of 3 recreational and 3 competitive, should we have 2 beginner/novice courts, 2 intermediate courts, and 2 advanced courts?
- 4) **Discussion Item #3:**  
Should the club consider implementation of club scheduling for court usage and play – by reassigning more definitive club ratings to members, the courts could be scheduled in such a way that groups of players (based on their individual rating) would be assigned a day and time for play. Additional times for “drop-in” play would also be scheduled. The schedules could be fixed, or they could alternate on a weekly basis. The rating system could be self-identified using the USA Pickleball skill rating system (2.0 – 5.0) or be based on club-generated criteria.  
*\*\*Club member Julie Pon has created a draft sample schedule to help facilitate this discussion item – available for review and/or printing on our website\*\**
- 5) Identification of which discussion items should be formalized and presented to club membership for vote of desire to proceed with a trial period of 30 days.
- 6) Conclusion and closing comments.
