Client: Veena Sharma - CFO

Dominic provided me with top notch recruitment support whilst I was the CFO of Global Innovation Fund and the CFO at Impower Consultancy. He had a fantastic intuition translating my vision for my finance teams into specific roles with x experience relevant to what I needed. He also produced great short lists and responded promptly to my feedback re the candidates. He went on to place several part qual accountants who were a great fit for my teams. Highly recommended.

Candidate: Owen Jones - Account Manager

Having dealt with Dominic as a candidate, I would like to commend his approach as one of the most professional, knowledgeable and fair recruitment consultants I have had the pleasure of dealing with. He is upfront, honest and keeps clear lines of communication throughout the entire process with a genuine respect for the candidate. In an industry that, quite frankly, has many professionals that rarely live up to expectations, Dominic is an absolute breath of fresh air. I will be very keen to keep in touch for future job searches and would 100% recommend his services for either client or candidate. Top marks!
