# Walkout for Trans Awareness

November 7, 2018

Brainerd's students and staff show they care by congregating in the the cafeteria after school.

The students in the **Brainerd High School LGBTQ group** arranged a **walkot at the end of the day on 11/05**. They signed a **handmade banner that will be donated to the SCTC** by the **Tennessee Valley Pride Council**. They also had **students and staff sign postcards** that will be sent to **Marsha Blackburn** to encourage her to **protect the rights of all people**. **Ms.Peterson, room 112**, has copies of the **postcards** that **students or faculty** that missed the event can come and sign before they are sent by the end of next week.
