Silk Screen:

This choice combines a great product with a fantastic price. As with all of our silk screen printed rubber mud flaps, a painted white background is available if necessary with a smooth and flat uniform finish.

Raised Lettering:

A great feature to take the logo on your custom rubber mud flaps to the next level. Get a precision laser 3-D look to your logo and lettering with our heavy-duty raised rubber. Make your logo stand out with this embossed effect.

Our top selling mud flaps are built extra thick for heavy duty performance with reinforced fiber for the highest durability. Perfect for gravel hauling, dump trucks and other heavy-duty off road applications

Please inquire for non-printed mud flaps and all other special orders and requests.

Customize it!

We have complete graphic services available for your design, typesetting or proofing needs. **Contact us** now for more information on our custom truck mud flaps.

Quad-Header

Our most popular adjustable mud flaps are built extra thick for heavy duty performance. Perfect for multiple applications with up to four size cut-out design. Complete with splashguard backing (Rainguard backing)

Please inquire for a quote for printed and non-printed mud flaps and all other special orders and requests.

Customize it!

We have complete graphic services available for your design, typesetting or proofing needs. **Contact us** now for more information on our custom truck mud flaps.

Double-Header

Silkscreen:

This choice combines a great product with a fantastic price. As with all of our silkscreen printed rubber mud flaps, a painted white background is available if necessary with a smooth and flat uniform finish.

Raised Lettering:

A great feature to take the logo on your custom rubber mud flaps to the next level. Get a precision laser 3-D look to your logo and lettering with our heavy-duty raised rubber. Make your logo stand out with this embossed effect.

POLY (PLASTIC) MUD FLAP

Our Poly (Plastic) mud flaps are strong and stay stiffer on your trucks & trailers. Available in white & black with your custom logo.
These truck & trailer mud flaps will last for years without fading or cracking. We're fast. We're extremely competitively priced – Often our custom printed flaps are less expensive than “off the rack” flaps.

PART#	ITEM
FW2455-P	1/4" WHITE OR BLACK 24" X 24" - HOT STAMPING
FW2456-P	1/4" WHITE OR BLACK 24" X 27" - HOT STAMPING
FW2457-P	1/4" WHITE OR BLACK 24" X 30" - HOT STAMPING
FW2458-P	1/4" WHITE OR BLACK 24" X 36" - HOT STAMPING
FW2459-P	3/8" WHITE OR BLACK 24" X 24" - HOT STAMPING
FW2460-P	3/8" WHITE OR BLACK 24" X 27" - HOT STAMPING
FW2461-P	3/8" WHITE OR BLACK 24" X 30" - HOT STAMPING
FW2462-P	3/8" WHITE OR BLACK 24" X 36" - HOT STAMPING

A very simple plastic mud flap. It is smooth on front sides and its technical properties make it the most durable plastic flap on the market. Available in black and white, we are able to hot stamp your custom logo in a wide array of colours.

Please inquire for a quote for printed and non-printed mud flaps and all other special orders and requests.

Customize it!

We have complete graphic services available for your design, typesetting or proofing needs. **Contact us** now for more information on our custom truck mud flaps.

AERODYNAMIC MUD FLAP

Our Aerodynamic flaps are professionally engineered with each vertical bar of the Aerodynamic flap molded with a patented, curved, wing-type design that makes contact with the water and channels it to the small dead air space on the back side of the flap which form drops that gravitate to the ground. Reduces splashing and lets air pass through keeping flaps from flapping around at high speeds.

24" x 24"

24" x 30"

PART #	ITEM
FW2424-O	1/4" BLACK AERO FLAP 24" X 24" NON-PRINTED
FW2430-O	1/4" BLACK AERO FLAP 24" X 30" NON-PRINTED

- Reduce dragging
- Saves you Kilometers per Litre
- Cut down on fuel costs
- High-impact nylon increases durability
- Reduces road spray
- Increases visibility
- Improves safety

Our custom mud flaps are available in heavy duty rubber and plastic (polyethylene) in a variety of sizes, colors and thicknesses.

Customize your mud flaps by choosing your size, material and method of printing from silk screening, raised lettering, and hot stamping for your custom artwork.

Please note:

Charges apply for additional colors and laser tooling. All products have an initial logo set up fee. For further information please contact your FleeWide Sales Representative or visit us online.
