

Arcade Storm Soccer Club Coaching Policy

It is our goal to provide the highest quality training for our players seeking to enhance their social, emotional and physical health in a positive and safe environment. We focus on teaching participants that hard work and dedication will make them successful, both on the field and in life.

The Arcade Storm Soccer Club, as a member of the Buffalo & Western New York Junior Soccer League (BWNYSJL or the League) and the New York State West Youth Soccer Association (NYSWYSA), will abide by the coaching guidelines and standards set forth by those organizations.

Key highlights included in League's "Licensing of Coaches" policy that we must follow are these:

- A. It shall be the policy of BWNYSJL to require one coach of each team have a USSF Coaching License or an equivalent certification such as a NCSAA License.
- B. It is further encouraged that all coaches make every effort to improve their coaching skills yearly and to obtain certification.
- C. Any coach that does not have a coaching license may apply to the BWNYSJL for a temporary exemption to this policy. This must be done prior to accepting the position of head coach and will have written notification to the League Administrator of such intent.
- D. It shall be the responsibility of each member club to insure that all head coaches are licensed.
- E. The head coach must actively participate as coach of the team.

Each individual coaching for the club shall be subject to the NYSWYSA Risk Management Policy. This is inclusive of a general background check performed by a third party through the NYSWYSA. Once a coach is approved, it is their responsibility to remain in good standing, and to ensure they keep up on the renewal of their risk management pass.
