Warranty Policy

FAA Repair Station: 8NAR611C, EASA 145.6652 Warranty Policy Nobel Aerospace's liability for overhauled instruments is conditional on defects becoming apparent within one year from the date of shipment, or one thousand hours of use, whichever occurs first.

Nobel Aerospace liability for repaired instruments is conditional on defects becoming apparent within ninety days from date of shipment to the first user, or two hundred fifty hours of use, whichever occurs first. Warranty limited to those items related to previous repair.

Nobel Aerospace warrants each instrument to be free from defects in material and workmanship under normal usage and providing installation and handling has been accomplished in accordance with prescribed good maintenance procedures.

Obligation under this warranty, however, shall be limited to repairing or replacing any of our overhauled items which are shown by inspection in our shops to be defective within the warranty limits stated above.

The warranty may be void if seals are broken.

The warranty is limited and exclusive. Nobel Aerospace, LLC makes no other warranty, expressed or implied, of merchantability or fitness for a particular purpose or otherwise.
