IAB 16th World Congress, 2022

Bioethics Special Issue

Bioethics Special Issue: Publication 2023

Guest Editors:

Dr Voo Teck Chuan, Center for Bioomedical Ethics, National University of Singapore
Dr Tenzin Wangmo, Institute for Biomedical Ethics, University of Basel, Switzerland
Prof Bernice Simone Elger, Institute for Biomedical Ethics, University of Basel, Switzerland

CLOSING DATE FOR SUBMISSIONS: 1st November 2022

The Editors of *Bioethics*, the official journal of the IAB, are pleased to announce a special issue featuring papers selected from those presented at the 16th World Congress of the International Association of Bioethics, July 2022.

We invite all presenters at the conference to consider submitting their papers for selection.

Upon submission authors should include full contact details (especially e-mail address) a brief abstract of approximately 250 words and a few lines of biographical information, all in a single electronic file. We discourage papers of more than 6000 words.

The editors welcome early discussion of brief proposals and/or abstracts by email to Dr. Voo Teck Chuan: medvtc@nus.edu.sg

For further submission requirements, including format and referencing style, please refer to the Author Guidelines on the Bioethics website:

<https://onlinelibrary.wiley.com/page/journal/14678519/homepage/forauthors.html>

Manuscripts should be submitted to Bioethics online at:

<http://mc.manuscriptcentral.com/biot>.

Please ensure that you select manuscript type 'Special Issue' and state that it is for the IAB Special Issue when prompted.

An English language editing service will be provided at no cost for papers which have, following review, been accepted for publication in the special issue.
