

Instructions to Initial Members of the Green Justice Party of India

We need your help to register as a party!

1. The regulations of the Election Commission of India (“**ECI**”) require every association of members seeking to register as a political party to submit, along with its application, the supporting affidavits of **at least 100 members** of the association.
2. These affidavits must be in the ECI’s prescribed format. The specimen affidavit has been uploaded on our party website www.greenjustice.in.
3. The process of registration needs to be completed **within 30 days** of formation of the association. So we need your help urgently!
4. Please fill in the affidavit / template with your personal particulars. You need to find your assembly constituency’s official name and number from the ECI website (or, if you are lucky, the reverse of your EPIC card) before you complete your affidavit, and enter in the correct details. For instance, the list of constituencies in Maharashtra is available at: <https://ceo.maharashtra.gov.in/Lists/ListACs.aspx>
5. Please print the affidavit on Rs. 2/- stamp duty procured from your nearest local stamp vendor.
6. Please sign and execute the affidavit in the presence of a local Notary Public. Alternatively, the affidavit can be attested by any First Class Magistrate or Oath Commissioner.
7. Please also photocopy your ECI-issued EPIC card and have the same notary (or any gazetted officer) attest the said copy.
8. Send your duly notarised affidavit and attested photocopy of your EPIC card to the Steering Committee at:
