

Mayhew Performance expands to USA

Press Release: 21st January 2022

Vernon Cameron
President & CEO

“As part of our strategic plan Mayhew Performance LTD. expands office in Fort Myers, Florida, USA.”

Green Energy Expansion Initiative (GEEI)

With our knowledge and expertise in Green Energy, MPL is proud to announced today, we have committed to expanding our services to the state of Florida operating under **Mayhew Performance USA Inc.**

As part our strategic plan for Green Energy Expansion Initiative, this was a critical part of our execution strategy and vision in order for MPL to support North America and Latin America clients by providing Green Engineering and Net Zero expertise.

Quoted by Mike Mayhew & Nicole Mayhew

“Today, is another example and commitment from MPL, that we are moving towards Green Engineering and Net Zero by 2025 with a focus on clients that share the same Net Zero vision. Our new office in Florida, will allow MPL to expand on our technical team and move towards our 5-year vision. We will have the opportunity to service our clients from two locations. (Canada/USA)”
