“I am truly blessed to move forward with my two mentors on the MPL leadership team. Vern gave me my first opportunity in mining 30 years ago and has mentored me through much of my career. And now, Tony Makuch, who has mentored me for more than a decade joins the MPL leadership team. A personal DREAM has come true!”

*Quoted by Vernon Cameron*

“Working with Mike and Nicole has been an absolute pleasure helping them expand their strategic direction and seeing them execute the growth plans with passion. I am excited for the opportunity to work under the leadership of Tony Makuch”

Mayhew Performance Ltd. is a boutique global consulting firm specializing in Battery Electric Vehicles in mining industry. 2nd Battery Life Inc. is a startup company specializing in Recycle + Repurpose - Reuse.
