

Membership Application Questionnaire

The purpose of this questionnaire is to identify candidates that will be selected for membership. Due to the high volume of inquiries received, only completed forms will be reviewed and move on in the application process. As such, the more information you share in this questionnaire, the better we are able to identify you as a candidate for membership. Questionnaires are reviewed in the order they are received. Once your questionnaire is reviewed, you will be invited to attend a monthly business meeting where a formal application for membership will be presented before the executive board.

Plymouth Rod & Gun Club is a family-oriented, volunteer-driven organization. Prospective members are **NEVER** screened or selected based on age, gender, country of origin, ethnicity, or sexual orientation. We invite you to share details about yourself that will help us to get to know you better.
