

## SPORTING CLAYS RANGE PROCEDURES

1. **Shooting glasses are to be worn by shooters and spectators – ear protection is strongly recommended.**
2. **No shot sizes other than #7½, #8, or #9 are allowed.**
3. Keep actions open and gun unloaded at all times.
4. **Load gun at shooting stations only.**
5. Load only one shell for singles and two shells for doubles.
6. Make sure gun is empty and action is open before leaving the shooting station.
7. Keep loaded or unloaded guns pointed in a safe direction at all times.
8. Children and pets must be under close supervision by adults.
9. Everyone must stay on the paths.
10. No littering.
11. Do not tip the trapper if he doesn't wear eye protection.
12. **No shells larger than 3¼ dram equivalent.**
13. Think firearms safety.
14. Don't mix alcohol or drugs with shooting.
