**INTERPRETATION OF ACADEMIC RECORD INFORMATION**

**ACCREDITATION**

University of Houston is accredited by the Commission on Colleges, Southern Association of Colleges and Schools, as a Level VI General postsecondary institution.

**COURSE NUMBERING**

All courses are identified by instructional area and number. Beginning in the fall term 1979, the University of Houston adopted a four-digit course numbering system.

**ACADEMIC FRESH START PROGRAM**

Former or current University of Houston undergraduate students may elect under the University's Academic Fresh Start Program to have all academic coursework completed at the University of Houston ten or more years prior to the term of election removed from consideration by the University and by the dean of the college of their major for any academic purpose. Transcripts will be annotated to indicate terms removed from consideration and those under the Academic Fresh Start Program.

**MULTI-INSTITUTION TEACHING CENTER**

University of Houston supports a Multi-Institution Teaching Center (MITC) for the purpose of providing credit instruction from several "parent institutions" in a common geographic setting. Notation on the transcript of any of the following institution abbreviations and course information indicate an MITC course. Reference for course content should be made to the designated MITC institution catalog and course.

<u>Abbreviation</u>	<u>Name of Participating UH System Institution</u>
UHCL	University of Houston-Clear Lake
UHD	University of Houston-Downtown
UHV	University of Houston-Victoria

**UNIT OF CREDIT**

The unit of measure for academic credit purposes is the term credit hour. One term hour is normally equivalent to one hour of class work or from two to six hours of laboratory work per week per term. Most courses meet for three lecture hours a week in the spring or fall terms and have an academic credit value of three term hours. These same courses meet during the summer term with each session equivalent in class hours and credit granted.

**CALENDAR**

The academic calendar consists of two long terms lasting approximately eighteen weeks and one summer term consisting of four condensed sessions. Regardless of the length of the term, the same academic credit is given for a course whether it is taken during the fall, spring or summer term. A standard number of contact classroom hours is maintained in both cases.

**SYMBOLS**

OC	University of Houston course taught at an off-campus site
H	Honors course with higher requirements
*	A course for which the student originally received a grade of incomplete
>	Student has completed the course but the grade has not yet been assigned
#	A major area of study but the student has not yet filed a degree plan specifying a major and degree objective
+	Course was taken for graduate level credit
