GENERAL NOTES

1. The packages are designed for a number of 10 to 200 guests, with the exception of the petite wedding, which is for up to 30 guests.
2. Per diems are generated after 30 kilometers around the city of Mérida.
3. If you need additional staff, consult our package of a la carte services
4. When contracting the service, 30% of the price of the respective package must be paid.
5. The total wedding package includes week-long exclusivity (the day of the wedding and an additional event of up to five hours).

*We hope to be part of
your special day!*
