A Message from the Editor!

Hello everyone!

My name is Izabella Hernandez, I am a student at The Walter Cronkite School of Journalism and Mass Communication at Arizona State University. I am the new Editor for The Chronicle! While I am a student journalist, I am also a photographer and do all types of photography. My favorite types of work I have done have been for PHOENIX Magazine, you can find my recent work online or in the physical issue at your local newsstand. I am really excited to grow my communication and writing skills at AALPI.

If you are looking for a photographer or need an ad placed in our Chronicle, please send me an email and I will assist you the best that I can @Izabellazola@gmail.com.

In other news the AALPI has many events planned for the new year that encourages members and non-members to attend. Please pay close attention to the April 2023 training. If you plan to attend this event, please register sooner than later, fees and flyer are on page 4. It is also important to remember the SCAM alert on page 15. We want to be clear that AALPI will never ask you for money or to spend money for reimbursement. If you get an email with AALPI name attached to it asking for money, please be cautious!

I have given The Chronicle a little face lift in hopes that it's now a bit more legible. If you are looking for something specific in the Chronicle, you can now look at the table of contents and find the information you need with one click! While we all love advertisements, I have made ads to be on separate pages that are at the end of the newsletter and not mixed with 'The Chronicle' content. Lastly, the color and font across the entire newsletter has changed. If you have any feedback or wish to see something different, please let me know.

It is a pleasure to curate this newsletter for you quarterly!

PRESIDENT'S MESSAGE

Bob Nalett, President

2023

As we close out 2022 and welcome 2023, I can only say what a year of growth it was for our Association. At the beginning of 2022, I said we would grow our Membership and we did. Now at almost 140 members we have tripled the Membership since 2017. We still need to keep the Association growing as this allows us to provide more training, more networking, a stronger voice in the PI industry and more opportunity for you growing your business.

I also want to touch on our 2022 Annual Conference. We had an amazing conference with over 140 people in attendance. The location was Venue 8600, in Scottsdale, AZ. This was the first time AALPI used this venue and it was a great experience for both our Speakers and Attendees. We had a wide range of speakers from Computer Forensics, to How to Start Your Business, to What Defense Lawyers want from Private Investigators. Once again we had people from all around the Country attend our Conference.

This past month we had our Annual Members Meeting. Venue 8600 accommodated us with the room and equipment set-up. Again we broke another record with 40 people in attendance at the Annual Meeting/Luncheon/and Training. Again, I want to thank Steve Mason and Rich Robertson for putting on the training and legal updates. At the Annual Meeting, we welcomed back Patrick Cote who ran unopposed as Vice President, Ralph McLaughlin who ran unopposed as the Treasurer, and Deborah Stonebarger who ran unopposed as the Member-at-Large. We also welcomed our new Chronicle Editor, Izabella Hernandez.

This year we are going to be offering a class in the spring. The class is entitled Hunting the Hunter: In Search of Aaron Bassler, the class will cover Crime Scene & Evidence Collection, & Forensic Firearms Comparison. Deborah Stonebarger will be our guest speaker. Check the AALPI website for date and time

I would also like to take this time to thank Thom Bunch (Treasurer) and Larry Rives (Member-at-Large). Both of these gentlemen volunteered for the Board for the last 6 years dedicating their time and offering their experience. Because of them this Association has only grown in membership and is on financially solid ground.

As I have said in past President's Messages I could go on and on about our Association. But the true reason AALPI is doing so well is because of you, our Members. It's our Members who are our best ambassadors and who spread the word about AALPI. I look forward to working with our new Board Members and talking to all of our members this coming year.

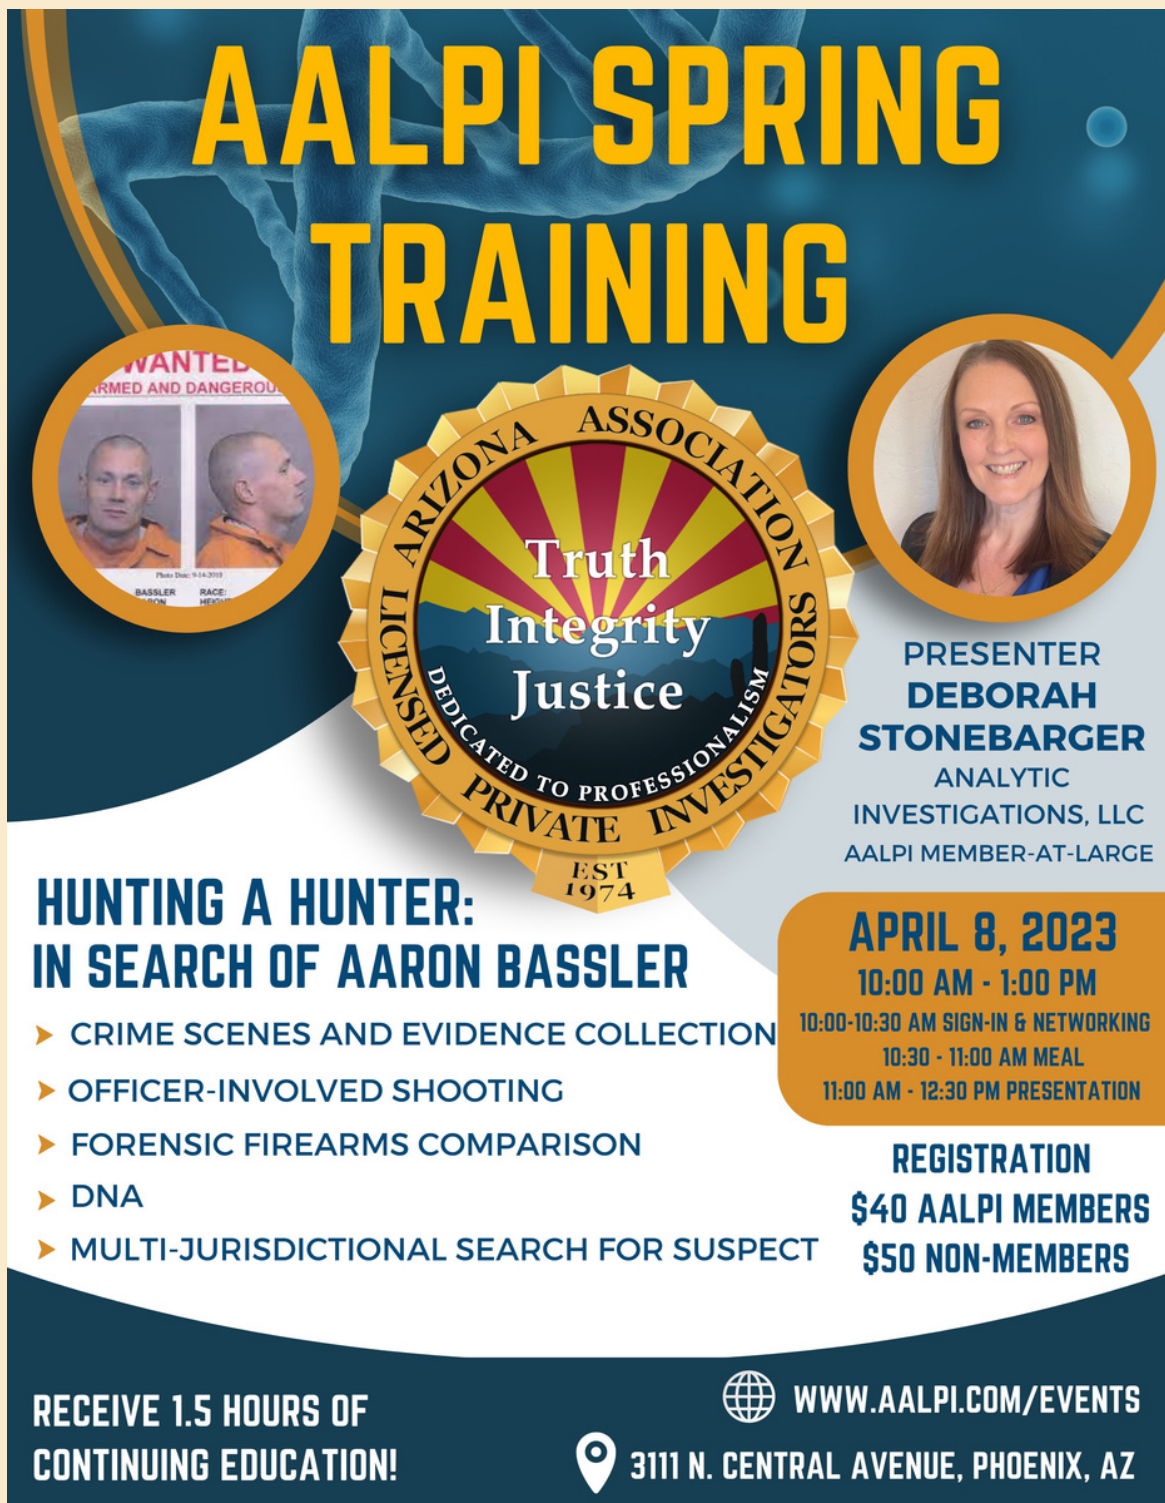

Bob Nalett, President
