Romania

exwickcommunitychurch.org.uk

Help support the **Haven of Hope Orphanage** in Romania. The orphanage relies on donations every month to pay for the expense of raising 19 children. The Orphanage has just celebrated its 30th Anniversary, in this small way we can help support them in their continued work. All gifts will be used to help with daily expenses, including food, electricity, clothing, medicine & school supplies. **We are looking for people who wish to donate a suggested minimum of £5 a month to directly support the children in Lipova.**
