WHY SHOULD YOU SUPPORT PTO?

Madden Elementary PTO is a 501(c)3 non-profit. Our mission is to establish a strong network of parents, teachers, family members and community partners who work together to enrich the children's minds, hearts, and character. We are committed to funding activities and programs that enhance the students' education and welfare, as well as supporting the teachers, administration, and staff throughout the year.

Past PTO projects include multi-year projects such as the purchase and installation of automated library shades and the shade structure over the school's primary playscape, as well as the construction and on-going maintenance of the outdoor learning classroom.

This year, the PTO has provided funding to purchase required science enrichment consumable materials and other durable equipment for the teacher work room. The Madden PTO also pays for all field trips and has established a classroom enhancement fund available to all teachers. The Madden PTO is working closely with the current CVME administration to complete a large-scale project to upgrade the outdoor learning classroom, including the installation of additional seating and sunshades, which is the main focus of our fundraising for the remainder of this school year. We are also in the process of developing proposals for projects for next year.

OUR MADDEN SPRING MARKET IS SET TO BE A FUN COMMUNITY EVENT FOCUSED ON BUILDING RELATIONSHIPS AND HIGHLIGHTING LOCAL BUSINESSES, AND ALL FUNDS WILL ALLOW US TO CONTINUE OUR SUPPORT OF FUTURE EDUCATIONAL PROGRAMS AND FESTIVITIES.
