REFERENCE FOR JENNIFER LAUXMAN McCORKELL

To whom it may concern

Please find the following reference for Jennifer Lauxman McCorkell. I have known Jennifer for two years, in that time she has worked alongside us here at Bede's World on a number of occasions running training events, demonstrating to the public and assisting the Director in aspects of Bede's Worlds business plan.

Jennifer has that rare combination of strong subject knowledge and the ability to engage individuals and audiences in all kinds of interesting ways. Jennifer is one of the best historic demonstrators I have worked with or seen, she fitted in as part of the team and was a total joy to work with.

We have worked hard to raise our standards here at Bede's World having record visitors both last year and beating that record this year. Having partners that work to the highest standards has been key to us understanding what is possible as we benchmark ourselves against the best practitioners, Jennifer then a sector leader in her work has played her part in giving us a standard to aspire to.

Yours
