

HIC | MASJID IBRAHIM ACADEMY

ISLAMIC TEACHERS

PROFESSIONAL – KNOWLEDGEABLE – QUALIFIED – ROLE-MODEL

A major part of Masjid Ibrahim Academy is the pillar of strength of our Islamic Teachers. These selected teachers are the backbone of the Academy. We pride in their professionalism, their understudy of Islam and look to them as role-models of the community. We assure you; your children will feel the same way as they log in class-room hours and get to know them. We are truly blessed to have them on-board and are forever grateful for their services to the Academy and the Muslim Ummah.

Masjid Ibrahim Academy Teachers are well qualified in Quranic Tajweed & Islamic Studies to lead the next generation of students. All Academy teachers have a good command of the English language and Quranic Arabic.
