

HIC | MASJID IBRAHIM ACADEMY

SOCIAL MEDIA WAIVER

PHOTOGRAPHY – VIDEO – LIVE STREAMING

At The Harford Islamic Center, we reserve the full right of privacy and extend this option to all our visitors. The Masjid Ibrahim Academy has placed an optional “Social Media Waiver” for those families **who do not want their child photography displayed.** We take all forms of picture capture (in any social media platform) as a serious element of our establishment. We will never sell, solicit or dismantle any photography in any way possible. Pictures will be used to showcase the strength of the Academy, highlight events, capture blessed moments, and may be used for HIC official commercial-usage to attract future students. Promotional videos may be posted on our HIC YouTube channel with comments turned off, as they pertain to minors.

If you feel otherwise and would like to “opt-out” of any picture taking moment for your child, please complete this form. We do apologize in advance if any picture is taken in a human error by any of our staff or dedicated cameramen. Your children’s privacy will remain one of our most important aspects in the Academy.
