HIC Weekly Correspondence to Harford County Residents upon COVID-19 | 4.10.2020

We pray this message finds you in the best of health and imaan. We appreciate your patience and cooperation during this difficult time for our nation. HIC recommends continued compliance with Maryland's stay at home order. All HIC activities are still cancelled until further notice.

HIC wants to take this opportunity to thank all those who have taken great initiative during this taxing time to support Harford County. HIC members have raised funds for local healthcare workers at Upper Chesapeake Medical Center. In addition, they have raised monetary donations and food items were collected for local food drives catering to needy families. We urge everyone to please continue to support us by donating at hic-md.org/donate.

During this pandemic time period; HIC will continue to provide a virtual halaqa each Friday. Please make yourself & your family available during this time.
