

PHOTO RELEASE AUTHORIZATION FORM

From time to time, photos will be taken of the youth club members. HIC reserves the right to use the photographs for news releases, posting on the HIC website, HIC-related videos and slide presentations.

HIC will allow the Youth Admin Team to take pictures of the members, youth activities, and other related events for publication.

HIC feels these are legitimate opportunities for the youth to be in the "spot light" and also to promote HIC. We need you to grant or decline your permission for your child's photographs to be used as described above.
