### **Benefits of Mended Hearts Membership**

**Connection.** Being a member offers opportunity for connection with the nation's largest community-based heart patient support organization providing hope and encouragement to heart patients and their families.

**Relationships.** Membership provides many opportunities to personally connect with fellow heart patients, family members and caregivers in your community and nationwide. When you open your heart to a Mended Hearts membership, you have an opportunity to create life-long friendships at home and across the country with people from all walks of life.

**Giving Back.** Our accredited visiting program enables survivors and caregivers to “give back” to other patients what they've learned from their experiences.

**Chapter Activities.** We encourage all members to participate in chapter activities – which can include ongoing informational meetings, support group sessions, social activities, community health events, and a hospital-based visiting program, to name a few.

**National Magazine.** A digital subscription to the quarterly [Heartbeat Magazine](#), 28-32 pages highlighting organization news, activities and items of interest to the heart-patient community, is available to all members and subscribers.

**National Heart Newsletter.** A digital newsletter, subscribe here: [Heart Newsletter](#)

**Educational Information.** GoToGuides here: [GoToGuides](#)

**In the Know.** Membership offers internal organizational communications via the Internet – providing the latest organizational updates and important heart-health information.

**Web site.** Membership offers access to a password-protected members-only site on the Mended Hearts Web site.

**Branded Items.** Members receive access to a wide variety of Mended Hearts-branded wearables and other items to show off your Mended Hearts pride!

**Leadership.** As a volunteer organization run by and for volunteer heart patients and their caregivers, Mended Hearts offers many leadership opportunities to impact change for the betterment of the heart patient community at the local, regional and national levels.

**Mended Little Hearts.** Connection with Mended Little Hearts, the Mended Hearts program in communities nationwide that provides support to the “littlest heart patients of all” and their families.

### **Mended Hearts Chapter 350 Heart Scan Program**

The Heart Scan program provides a free (no cost) CT test which can detect potential plaque buildup in the heart. A cardiac CT (computed tomography) scan is a painless imaging test that uses x-rays to take detailed pictures of your heart and its blood vessels.

To date over 694 free Heart scans from Mended Hearts Chapter 350 have been provided to individuals. The resulting tests have provided doctors access not only to potential cardiac complications but also other potential health situations.

The program is proactive resulting in lives being saved.
