

BAYSIA REGISTRATION HELP SHEET

Why won't my player roster on the team		
Play level	Is player the correct play level? D4 player will not roster to D1, D2, D3, etc. team.	Association
Age	Is player too old? Is player too young? If player is more than 2 years younger, BAYSIA needs to roster the younger player	Association
Gender	Boys cannot be rostered to girls' team. STYSA and BAYSIA have no coed teams	Association
Birth Certificate	In roster builder, refresh your team. No DOB verification will prevent rostering	Club
Photo	In roster builder, refresh your team. No photo in account will prevent rostering. Got to player account and edit. If verified, may have to have association unverify. Photo requirement is waived for 8U and below but good idea to have them on file	Club
SafeSport	If player is turning 18 during the seasonal year, must complete Safe Sport	Club
USYS Affiliation	When registering player or coach, the USYS affiliation was left blank. Go to club management -> coaches or players -> check box and in menu above select set competitive level -> then choose play level and it will add level and USYS	Association
Pending	If player remains pending in roster builder, click on green refresh button. May be photo, DOB, training or payment. If this is a transfer from another association, state will have to override until all associations are on the prebill system.	Club/Association
Why is my player not showing on the roster, ID cards including virtual or match card?		
Roster Source	If player is registered/rostered in another association, the roster source will need to be updated	Association
Where is my team?		
Team Name	Make sure your team name is consistent in the league and registration events. Confusing for league administrators and everyone! Registration event is home base for player, adults and team building/registration	Club/Association
Why won't my coach roster?		
Requirements or photos	You can click on the refresh button in roster builder and you will see if coach is missing requirements. You can also go into the coaches account under requirements and look. Requirements have to be renewed annually June 1.	
Error messages		
Secondary Player	When receiving this error, it means that the player is rostered to another team. Requires transfer form.	Club/Association

Functions		
GotSport	System.gotsport.com	
Player Counts	Club management -> registrations (after roster builder). At this point it will show you the payment information. Continue on the top tab Details. Add filters – Registration type = player; Seasonal Year = 25/26; Registration Status = Initial; Registration Organization – Bay Area. Will indicate entries 1-50 out of # of current registered	
Add players to roster	Add players to teams in club management -> roster builder -> BAYSIA cards and roster event	
Add players to club pass	Add players for club pass in club management -> roster builder -> 'whatever league event, e.g., fall 2025	
Transfers	Transfers – (1) enter through affiliation tab then STX then transfer form click submit. Signed paper form must be attached. It is helpful to use Control F to find teams. Include this information (player's name, releasing and receiving team) in your weekly report so I can approve after the club approves. (2) Approve Transfer: Club Management -> Forms and Requests -> STYSA 25/26 form. Click on the ID number – not the player name. Click on the green check mark.	
Release	Complete paper transfer release form and attach with weekly request form to BAYSIA registrar. There is no online form	
Print player cards	To print cards: club management -> teams -> click on team -> go to roster tab on top -> select event BAYSIA cards and rosters -> go to document tab -> click on ID cards.
