CORE CAPABILITIES

Executive & Leadership Coaching

Individual coaching for executives and leaders navigating complex responsibilities, leadership transitions, decision-making, interpersonal challenges, and organizational change.

Team Coaching & Team Effectiveness

Coaching for intact leadership teams focused on trust, psychological safety, collaboration, accountability, shared leadership, and collective effectiveness.

Leadership Development & Executive Education

Design and facilitation of experiential leadership learning, executive development programs, workshops, and curriculum that connect leadership concepts to practical application.

Strategic Facilitation & Organizational Learning

Facilitation of leadership conversations, team development experiences, reflective learning, and organizational dialogue that support alignment, learning, and meaningful action.

Leadership Assessments & Feedback

Integration of assessment-based development, including 360-degree feedback and DiSC, to support self-awareness, leadership effectiveness, and individual or team development.

- Hogan

DIFFERENTIATORS

Direct Federal Leadership Experience

Former faculty experience with the U.S. Office of Personnel Management's Federal Executive Institute, including Leadership for a Democratic Society, provides firsthand understanding of senior federal leadership development and the complexities of public-sector environments.

Executive and Team Coaching Expertise

Professional coaching credentials and experience working with senior leaders and intact teams support engagements at both the individual and collective levels.

Scholar-Practitioner Approach

Integrates research, adult learning, reflective practice, and practical leadership experience to design development that is both intellectually grounded and applicable to organizational realities.

Human-Centered and Contextually Responsive

Emphasizes psychological safety, inclusion, accountability, and the organizational conditions that support effective leadership and sustainable growth.

SELECTED RELEVANT EXPERIENCE

U.S. Office of Personnel Management | Federal Executive Institute

Executive and team coaching, leadership development, facilitation, and assessment-based learning with senior federal leaders and intact teams through federal executive education programs.

U.S. Agency for International Development (USAID)

Leadership learning and facilitation engagements supporting international development professionals.

United States Air Force

Leadership development and facilitation supporting professional learning, engagement, and leadership effectiveness.

Higher Education & Organizational Learning

Experience in curriculum design, adult learning, research, teaching, and organizational development across higher education and other organizational settings.

PARTNER WITH CHELESEA LLC

Chelesea LLC welcomes opportunities to partner with government agencies, prime contractors, and organizations seeking executive coaching, team coaching, leadership development, facilitation, and assessment-based learning.
