

## Rules for Use of Columbus Club Hall

Per NJ Health and Safety Standards & Executive Order No. 183

October, 2020

- Face coverings must be worn at all times, with one approved exception (see Hall Seating).
- All individuals entering the building must record their name and phone number in the log book.
- Building occupancy limit: 30 people at any one time.
- Enforce 6-foot social distancing when moving about the building.

### Hall Seating

- Seats must be 6 feet apart.
- If tables are used, they must be 6 feet apart from any other tables in all directions.
- Maximum table occupancy: 4 people at any one time.
- While seated, individuals shall wear face coverings until their food or drinks arrive. After individuals have finished consuming their food or drinks, they shall put their face coverings back on.

### Bar Area

- Bar seating is not allowed.
- Standing at the bar is not permitted.
- Individuals may approach the bar, one at a time, to order and pay for a beverage. Individuals must then return to their table or seat before consuming any beverage.
- Enforce 6-foot social distancing between bartender and individuals.

### Sanitizing and Ventilation

- Wipe down tables and chairs after set-up and before storage.
- Enforce wipe down of commonly touched surfaces by individuals.
- Encourage frequent use of hand sanitizers.
- Use ceiling fans while occupying the building.
- Organizations using the hall for meetings are responsible for wiping down tables and chairs used, and conforming completely to the state 10 PM curfew laws & no food served.

Signed           *Ryan Green*           that we agree to the above rules
