

Disney World Educational Itinerary

Educational Focus: History • Science • Culture • Innovation • Conservation

Day 1: EPCOT – Science, Culture, and Technology

Morning:

- **Spaceship Earth** – History of communication and invention.
- **Living with the Land** – Agriculture, ecosystems, and sustainability.
- *(Optional)* **Behind the Seeds Tour** – Hands-on look at Disney's hydroponic farming.

Lunch:

- **Sunshine Seasons** (*The Land Pavilion*)
→ Fresh foods grown in EPCOT's greenhouses — sustainable eating.

Afternoon:

- **World Showcase Passport Adventure** – Visit pavilions representing 11 nations.
- **Kidcot Fun Stops** – Crafting and learning at each country's station.

Snack Break:

- Try traditional snacks:
 - Japan: Mochi
 - France: Macarons
 - Mexico: Churros

Evening:

- **The Seas with Nemo & Friends** – Explore marine life exhibits.
- **Turtle Talk with Crush** – Real-time Q&A with a "talking" sea turtle.

Dinner:

- **Akershus Royal Banquet Hall** (*Norway Pavilion*)
→ Taste authentic Scandinavian dishes and learn about Norse legends.
-

Day 2: Animal Kingdom – Biology, Conservation, and Culture

Morning:

- **Kilimanjaro Safaris** – Learn about African savannahs and wildlife.
- **Gorilla Falls Exploration Trail** – Conservation and primate habitats.

Lunch:

- **Harambe Market** (*Africa Section*)
→ East African street food — discuss global agriculture and cultural flavors.

Midday:

- **Rafiki's Planet Watch & Conservation Station** – Veterinary care and environmental science.

Afternoon:

- **Feathered Friends in Flight!** – Bird behaviors and conservation.
- **Maharajah Jungle Trek** – Explore Asian wildlife and biodiversity.

Snack Break:

- **Mr. Kamal's** (*Asia section*)
→ Try seasoned fries with international dips while talking about global spice trade!

Evening:

- **Pandora – The World of Avatar** – Conservation storytelling.

Dinner:

- **Satu'li Canteen** (*Pandora*)
→ Sustainably sourced, earth-friendly food choices themed to storytelling.

Day 3: Magic Kingdom & Hollywood Studios – Innovation, Storytelling, and Creativity

Morning (Magic Kingdom):

- **Liberty Square Historical Tour** – American history landmarks.
- **Hall of Presidents** – Learn about U.S. leadership.

Lunch:

- **Liberty Tree Tavern** (*Liberty Square*)
→ Traditional Colonial American food, history-themed dining experience.

Midday:

- **Carousel of Progress** – Innovation through the decades.
- **Tomorrowland Transit Authority PeopleMover** – Futurism and city planning.

(Optional for Teens/Adults)

- **Keys to the Kingdom Tour** – Backstage educational experience.

Afternoon (Hollywood Studios):

- **Walt Disney Presents** – History of Walt Disney's imagination and innovation.
- **Star Wars Launch Bay** – Art, design, and storytelling exhibits.

Snack Break:

- **Milk Stand** (*Galaxy's Edge*)
→ Talk about fictional worlds and cultural influences behind "Star Wars."

Evening:

- **Animation Experience** (*also available at Animal Kingdom*) – Hands-on art lesson.

Dinner:

- **Sci-Fi Dine-In Theater Restaurant** (*Hollywood Studios*)
→ Experience 1950s Americana culture through a unique drive-in-themed dining experience.

Bonus Ideas:

- **Youth Education Series (YES):** Pre-book Disney's classroom-style workshops.
- **Cultural Scavenger Hunt:** Find five different languages or identify three ecosystems.
- **Behind-the-Scenes Tours:** EPCOT Seas Adventure – DiveQuest, Wild Africa Trek.
