

PARTNERSHIP OVERVIEW

The Catholic Action Network is a Texas-based 501(c)(4) nonprofit with a mission to strengthen families, improve communities, and advance the common good. Our work focuses on economic development, investment and entrepreneurship as a pathway out of poverty, and we partner with values-aligned individuals, businesses, and institutions that share this commitment.

In keeping with this mission, The Catholic Action Network's Young Entrepreneurs Program seeks to reduce poverty within economically disadvantaged regions by assisting students with their dream to create a business. Through preparing these youth to establish, grow, and expand organizations, we can improve communities, the dignity of workers, and the quality of life for families. **One hundred percent (100%) of partnership support is directed to our Young Entrepreneurs Program.** Contributions are tax-deductible when made through our Knights of Columbus Charitable Fund, a 501(c)(3) organization.
