

COACH - TEACHER - VETERAN

DEMOCRAT FOR PARK BOARD AT-LARGE

Our children are the products of their environment and we must raise them in safe and clean spaces. As a Minneapolis native and active community member, having served as a coach, teacher, volunteer, and as a Minnesota National Guard Sergeant, Tim is a proven leader committed to helping Minneapolis thrive.

Vote for

TIM PETERSON

MINNEAPOLIS PARKS AT LARGE

YOUTH EMPOWERMENT

Tim is determined to create a Youth Empowerment Tiger Team that ensures no child goes without support from our multidisciplinary community partners, working together as a unified team to inspire and encourage success. In addition to expanding access and funding for Spark Youth Programs, the Empowerment Tiger Team, and the MPS Park Board Pitch Rally, Tim advocates for making our parks more accessible to the diverse families of Minneapolis.

NEW REVENUE STREAMS

Tim aims to create new revenue sources in order to reduce the burden of the property tax on residents by working with small businesses and organizations that represent our city's diversity. Creating cross marketing and lucrative sponsorship deals will provide funding to expand our youth services.

Clean Water & Energy

Improving the environment and our community's well-being is fundamental. Tim believes in empowering youth with a strong sense of environmental responsibility, inspiring them to lead the Clean Water & Energy economy after graduation. As a former deep sea fishing captain and commercial fisherman, Tim understands firsthand the urgent need to eliminate PFAS and microplastics from our park watershed. He is committed to protecting our natural spaces.
